Now on this the 12th day of April, 1926, this matter comes on regularly for hearing before the Court upon the application of the above named defendant, W. B. Jefferson, for parole and suspension of said senrence which he is now serving. The Government was represented by Honorable John M. Goldsberry, United States District Attorney, and the defendant was present in open court, in person and upon said hearing the Court finds that said defendant was, on the 13th day of March, 1926, convicted in this court upon his plea of guilty of the charge of unlawful possession and trasnportation of intoxciating Liquors and sentenced upon said plea to a fine of $50.00 on the first count of said information and to serve a period of ninety (90) days in the Tulsa County Jail at Tulsa Oklahoma, on the 2nd count of the information filed against the defendant herein and the court further finds that this is the first offense for which the defendant has ever been convicted of unlawful violating the Prohibitory Liquor Laws of the Government; That he is a young man of family, having a wife and several children, depending upon him for their maintenance and support. Cause No. 232 Law.

JOURNAL ENTRY.

This cause comes on to be heard before the Hon. F. E. Kennamer, Judge of said court on this the 3rd. day of May, 1926, on the demurrer of the defendant the City of Hominy to the petition of the plaintiff on several different grounds raised in said demurrer, The same including the ground that the contract entered into by the city officials of the City of Hominy was an act ultra vires and beyond the power of the officials of the city to contract.

On the further ground that the petition failed to show that any money was available to carry out the terms and conditions of the contract at the time the same was made and entered into, but on the contrary that it does show by implication at least that no funds were or could be available with which to meet the obligations sought to be imposed on the minicipality by the officers executing said lease contract,

On the further ground that the lease contract is void for the reason that it provided for the expending of money of said municipality

for a purpose not contemplated by the constitution and laws of the State of Oklahoma and in violation and disregard of the same.

The plaintiff was represented by the Hon. Louis N. Stivers, assistant United States Attorney, The defendant the City of Hominy was represented by its attorney, Leander Hall. The demurrer was presented to the court, The attorney for the plaintiff after the same was presented stated to the court that it was his opinion that the demurrer was well grounded and should be sustained, but that he brought the action at the request and on the order of the Department of Justice and that je would like to save his exceptions to the order of the court sustaining the demurrer. The court finds that the demurrer of the defendant, the City of Hominy should be sustained and that the plaintiff should be and it is given all exceptions to the ruling of the court.

It is therefore ordered, adjudged and decreed by the court that the demurrer of the defendant the City of Hominy be and it is hereby sustained and the plaintiff be and it is hereby given all exceptions to the ruling of the court and is given twenty days in which to amend.
