Criminal No. 13617

ORDER

I

The court has jurisdiction to consider the petition filed as a Motion to Vacate Sentence pursuant to the provisions of Title 28, U.S.C., Section 2255, by virtue of the fact that sentence was imposed by this court, and leave to file in Forma Pauperis is granted.

II

The court, having considered this date the Motion to Vacate Sentence, and having examined the motion and the files and records of the case, finds that the files and records of the case conclusively show that defendant is entitled to no relief for the following reasons:

Defendant was found guilty of violating Title 18, U.S.C., 1708, which authorizes the penalty imposed of five years imprisonment. The statement of defendant that he was sentenced pursuant to Title 18 U.S.C. 1706 is in error.

On the 28th day of December, 1960, the defendant appeared in person and by his previously court appointed attorney, Barry J. Galt, Attorney at Law, Tulsa, Oklahoma, and, after being advised of the nature of the charges and of his rights, signed in open court, a written waiver of prosecution by indictment, whereupon the Assistant United States Attorney prosecuted the offense by filing an information against the defendant, all in accordance with Rule 7 of the Federal Rules of Criminal Procedure.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that the Motion to Vacate Sentence is hereby denied.

vs.	)	Criminal No. 13,617
United States of America, Respondent.	)	

FILED

NOBLE C. HOOD
Clerk, U. S. District Court

ORDER

The motions of Otis Joseph Johnson, being a Notice of Appeal, a request for an appeal in forma pauperis, and a request in forma pauperis for records and transcript of original trial, pursuant to Title 28, U.S.C., Section 1915; 18 U.S.C., Section 3732; 28 U.S.C., Section 2255, and Rule 73a of the Federal Rules of Civil Procedure, having been considered this date, and the court being advised in the premises finds that the request to appeal as a pauper should be denied for the reason that this appeal from the order of this court, dated July 12, 1961, overruling the Motion to Vacate Sentence is not taken in good faith because defendant was found guilty of violating Title 18, U.S.C., 1708, which authorizes the penalty imposed of five years' imprisonment and no timely appeal was taken by defendant. The copy of the information attached as an exhibit in this motion is erroneous as to the section of Title 18, U.S.C., which petitioner was prosecuted under. The original information shows the section to be 1708 and not 1706 as shown in the attached copy of an uncertified reproduction of the original.

The issue of sufficiency of the evidence to sustain a conviction, in this case, of knowingly having possession of stolen mail matter, must be raised by timely appeal because the question of the sufficiency of evidence fails to tender a crucial issue of fact which constitutes a valid ground of collateral attack upon the judgment and sentence. Will Curry, Jr. v. United States of America, (10th Cir. No. 6666 - June Term 1961).

Petitinner's request in forma pauperis for records and transcript of original trial should be denied because 28 U.S.C. fails to authorize this court to grant such a request.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that the request for an appeal in forma pauperis as contained in the Notice of Appeal and the request

in forma pauperis for records and transcript of original trial filed August 15, 1961, are denied.

FURTHERMORE, IT IS HEREBY CERTIFIED by the court that the appeal may not be taken in forma pauperis since it is not taken in good faith.

Dated this 15th day of August, 1961.

NOBLE C. HOOD
Clerk, U. S. District Court

ORDER

This matter coming on before me, the undersigned Judge, upon the Notice of Appeal and Motion to Appeal in Forma Pauperis filed herein by the defendant, Herbert Hoover Grissom, on the 11th day of January, 1962, and the court having considered said motion and the files and records in this case and being fully advised in the premises, the court finds:

That the Motion to Appeal in Forma Pauperis from the order of this court made and entered on the 3rd day of January, 1962, is not taken in good faith and should be denied for the reason that heretofore and on the 11th day of October, 1961, a previous motion to vacate sentence pursuant to 28 U.S.C., Section 2255, was overruled, and on the 26th day of October, 1961, defendant was denied the right to appeal in forma pauperis, the court at that time certifying that said appeal could not be taken in good faith, and that subsequently defendant filed a second successive motion for similar relief alleging in substance the same grounds as asserted in his prior motion, and that this second successive motion was overruled and denied by this court on the 3rd day of January, 1962, for the reason that the court was not required to entertain such a second or successive motion.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that defendant's Motion to Appeal in Forma Pauperis pursuant to 28 U.S.C., Section 1915, be and it hereby is overruled and denied.

IT IS HEREBY FURTHER CERTIFIED BY THIS COURT that the appeal may not be taken in forma pauperis since it is not taken in good faith.

Dated this 19th day of January, 1962.
