

**UNITED STATES DISTRICT COURT  
NORTHERN DISTRICT OF OKLAHOMA**

**IMAGING NOTICING SYSTEM**

The United States District Court for the Northern District of Oklahoma is proud to introduce its new imaging noticing system. This system allows for the prompt distribution of orders and judgments via facsimile transmission to designated attorneys of record who complete the authorization form below. In most instances, attorneys who agree to accept orders and judgments via facsimile transmission will receive them the same day they are docketed. Here is how it works:

- \* Attorneys who participate in this program authorize the Clerk of Court to fax orders and judgments.
- \* Faxes are sent directly to the firm's fax number in lieu of mailing a copy of the document.
- \* The Clerk's Office maintains a report confirming receipt by parties of the electronic notice
- \* If the Clerk is unable to confirm receipt of the electronic notice, notice by mail will be effected the following business day.

To participate simply complete this authorization form and return it to the clerk's office or fax the completed form to the clerk's office at (918) 699-4756. A separate authorization must be completed for each attorney in a firm.
