O R D E R.

Now on this the 4th day of March, 1926, this matter comes on regularly for hearing before the Court upon the application of Ed L. Carthen, to be placed on Probation and to be Paroled from the sentence imposed upon him by the Court in this cause and that said sentence be suspended during said probation period.

The applicant was present in person and by his attorney, H. T. Church. The Government was represented by John M. Goldsberry, United States District Attorney, and after duly considering said application and the testimony, statements and recommendations, both oral and written, in support thereof the Court finds that the application should be granted, and the Court further finds that prior to the conviction of the defendant upon this charge that he has had two trials, one before the United States Commissioner at and upon which said hearing said defendant was discharged; that upon the former trial the jury disagreed, standing nine for acquittal to three for conviction and the Court further finds that the defendant was finally convicted upon circumstantial evidence alone and that there is a possibility that said defendant is not guilty of said charge.

The Court further finds that prior to the filing of the charge against the defendant upon which he was convicted he had borne the reputation of a quiet, peaceable, lawabiding and industrious citizen and had never been convicted or charged with the violation of any laws whatsoever, either of the State of Federal Government, and that he has always been a man of most exemplary habits.

The Court further finds that the defendant is of forty seven (47) years of age, having a wife and adopted daughter, eleven years of age, who are dependant solely upon him for their support and maintenance and in view of the recommendations by the great number of citizens and residents of Sapulpa, Oklahoma, and the officials of said county in that the District Judge, County Judge and County Attorney of Creek County, Oklahoma and various other highly respected citizens petitioning and requesting this Court to parole this applicant, the Court finds that the said defendant of applicant herein Ed. L. Carthen, should be paroled during his good behavior and upon the condition that he report to this court and

and to his parole officer at least once per month from and after this date.

The Court further finds that Judge John R. Miller of Sapulpa, Oklahoma is a proper and suitable person to act as Probate Officer in this matter and to whom said defendant should report once per month and who is well qualified to act and serve as such probation officer and that the ends of justice and the best interest of the public as well as the defendant himself, will be best served by granting said parole.

It is Therefore ordered by the Court that the said Ed L. Carthen be and he is hereby paroled from the sentence and judgment of this Court heretofore imposed in this Court and said sentence is hereby suspended pending the good behavior and conduct of him the said Ed L. Carthen and he is hereby paroled to and placed in the charge of Judge John R. Miller of Sapulpa, Oklahoma, as parole officer and the said Ed L.
