charging that during the regular session of this court at the Special May, 1926, Term thereof, while court was in regular session on the 20th day of September, 1926, and within a few days after the order of court removing one Marshall Moore as a Deputy Marshal serving under Henry G. Beard, United States Marshal of the Northern District of Oklahoma, and after the court had ordered the United States Attorney of the Northern District of Oklahoma to file charges and information for contempt against the said Marshall Moore for having in contempt of said court committed numerous and divers acts of contempt of said court by reason of certain alleged acts of said Marshall Moore in wrongfully securing from the Grand Jury of said court certain information which said Grand Jurors were not legally at liberty to divulge, and in disseminating said information to other persons who might be affected by the acts or proceedings of said Grand Jury, and in attempting to intimidate witnesses before said Grand Jury and preventing their testifying, and in obstructing the process of said court by advising and inducing witnesses to avoid the process of said Grand Jury and to absent themselves from said District during the time said Grand Jury was in session; and before said charges had been filed and before the same had been heard by the said court and while the same and proceedings thereon were yet pending and on the same day and before the said charges had been heard and determined, by the said court, the said Marshall Moore approached the Honorable F. E. Kennamer, Judge of said United States Court for the Northern District of Oklahoma, who had been presiding during said day in said court and had made the orders here before referred to and whose duty it was to hear and dispose of said charges of contempt against the said Marshall Moore and to fix the punishment therefor in the event of a conviction of said charges or to discharge the defendant in the event the charges were not proved; in a certain restaurant in the City of Tulsa, in the said Federal Judicial District, and within a quarter of a block of the place where said court was sitting, during a recess of said court on said day and so near said court as to obstruct the administration of justice therein, and made the following statements to said Judge of said court in a threatening manner, to-wit:

"I don't propose to stand for this kind of treatment: you and your gang have just hatched up a lot of lies on me, and I don't intend to stand for it;" and that the said Marshall Moore further said at this time, "I don't care about that, I have lived here for about twenty years and have always been an honorable citizen and I am not going to stand for you are your gang;" and that the said Marshall Moore further said at said time, "This is a personal matter with me and I am going to make it so."

And whereas this court upon said complaint and information made an order directing that the said Marshall Moore be brought before said court on said 20th day of September, 1926, to answer said charges, and

Whereas said Marshall Moore appeared on said day; and

Whereas the said matter was heard in open court and witnesses were sworn and their testimony given as to the matters and things so charged against the said Marshall Moore having made a statement in reference thereto, but making no denial of the said contemptuous acts so charged against him and said acts and words of the said Marshall Moore having been done and said to, and to and towards and within the hearing and in the presence of said Honorable F. E. Kennamer, Judge of said Court, and being with the personal knowledge of said Judge, the court finds the facts to be:

That on said 20th day of September, 1926, after the said court has on said date, for good cause, ordered the removal of said Marshall Moore as Deputy United States Marshal serving under Henry G. Beard, United States Marshal for the Northern District of Oklahoma, aforesaid, and after the said court had ordered charges of contempt of said court to be filed against said Marshall Moore, and while said charges were pending and before the same had been heard before the said Franklin E. Kennamer, Judge of said Court, and while the same were yet to be disposed of in said court on said date before said Judge, and during a recess of said court at about one o'clock P. M. of said date, the said Marshall Moore approached the said Franklin E. Kennamer, Judge of said court, in a restaurant in the City of Tulsa, Oklahoma, about a quarter of a block from the said court

house where said court was in session and so near to said court as to obstruct the administration of justice therein, and with intent to intimidate said judge in the discharge of his judicial duties, and with intent to obstruct the administration of justice in said court, and in a violent and threatening manner said to said Franklin E. Kennamer, Judge of said Court.

"Judge, you and your gang have hatched up a pack of lies on me and I am not going to stand for it; well, I dont care, I am not going to stand for that any longer; I have lived here twenty years and I am a good citizen, law abiding citizen and I am not going to stand for this bunch of lies on me any more; I am going to make it a personal matter;"

from which facts it is considered and adjudged that the said respondent, Marshall Moore, did thereby commit a contempt of this court, for which contempt it is by the court ordered and adjudged that the said Marshall Moore be imprisoned and confined in the County Jail of Tulsa County, Oklahoma, for the period of twelve (12) months.
