B. F. Rogers, et al.,			

The petition of C. R. Board, appellant, and W. C. McAlister, appellant, for a writ of prohibition and a stay of further proceedings in the cases above entitled was presented to this court on this first day of November, A.D. 1926, and extensively argued by counsel for the respective parties.

Because a writ of prohibition may not be used as a substitute for an appeal or writ of error, because no action that can lawfully be taken by this court under a writ of prohibition could aid the appellate jurisdiction of this court over these cases and because the legal presumption is that the orders and directions of the court below, from which an appeal has already been perfected, have been obeyed before this application was made,

IT IS HEREBY ORDERED that the petition for the writ of prohibition and for a stay of further proceedings of the court below in these cases be and it is hereby denied.

JOURNAL ENTRY.

Now on this 3rd. day of December, 1926, the same being one of the judicial days of the Special May, 1926, term of this court, sitting at Tulsa, Oklahoma, it appearing to the court that all matters and things in controversy as to count one of the first cause of action set forth in plaintiff's petition in the above entitled and numbered cause have been submitted to the court on an agreed statement of facts executed by the parties and on memorandum briefs prepared and submitted by counsel, the court finds that plaintiff's contention, as made in count one of the first cause of action set forth in its petition filed herein, to the effect that the sinking fund levy made by the Excise Board of Rogers County, Oklahoma, in July, 1924, to take care of road bonds of said county, is not well taken so far as it seeks to have the court declare invalid and unauthorized the action of said Excise Board in making said levy in July, 1924 so as to raise a proportionate part of said bonds for the twelve months beginning July 1, 1924, and ending June 30, 1925, in addition to the eight months beginning November, 1, 1923, and ending June 30, 1924, plus interest: on the contrary the court finds that said Excise Board was authorized by law to make such a levy, and that on the valuation of the plaintiff railway company's property in said county during such twenty months period of time, to-wit: \$1,881,933.00, a levy for such sinking fund purposes was authorized under the law and the facts and should have been made in the sum of 3.13 mills. And it further appearing to the court that settlement has been made between the parties as to the excess represented by the difference between said 3.13 mills and the 2.97 mills levy complained of by plaintiff in count one of plaintiff's first cause of action.

IT IS THEREFORE CONSIDERED, ORDERED AND ADJUDGED BY THE COURT that plaintiff's contention that the action of the Excise Board in making a levy in July 1924 to raise funds for a proportionate part of the principal of the road bonds in controversy for the eight months period beginning November, 1, 1923, and ending June 30, 1924, in addition to the twelve months period beginning July, 1, 1924, and ending June 30, 1925, is not well taken; on the contrary IT IS CONSIDERED, ORDERED AND ADJUDGED BY THE COURT that said Excise Board of Rogers County, Oklahoma, was authorized under the law and facts to make a levy at its regular meeting held in July 1924 sufficient to raise funds to pay a proportionate part of the principal of said road bonds attached to count one of plaintiff's first cause of action for the eight months period beginning November, 1, 1923, and ending June 30, 1924, in addition to the twelve months period beginning July, 1, 1924, and ending June 30, 1925, and in addition thereto interest owing by Rogers County, Oklahoma, on said road bonds and that such levy was in all things proper, valid and authorized by law and that plaintiff is not entitled to recover on count one of plaintiff's first cause of action but that judgment be and it is hereby rendered in favor of the defendant and against the plaintiff on count one of plaintiff's first cause of action.

IT IS FURTHER CONSIDERED, ORDERED AND ADJUDGED BY THE COURT that the defendant as County Treasurer of Rogers County, Oklahoma is not required to withhold from proper application, distribution, and payment the amount of money represented by said levy, attached by plaintiff, on the valuation of plaintiff's property in Rogers County, Oklahoma, during said twenty months period of time which valuation is the sum of \$1,881,933.00, but on the contrary said defendant as County Treasurer is authorized and it is the judgment of the Court that he apply, distribute and make pay-

JOURNAL ENTRY.

Now on this 3rd. day of December, 1926, the same being one of the judicial days of the special May 1926 term of this court sitting at Tulsa, Oklahoma, it appearing to the Court that all matters and things in controversy on the second cause of action set forth in plaintiff's petition in the above entitled and numbered cause have been submitted to the court on an agreed statement of facts executed by the parties and on memorandum briefs prepared and submitted by counsel, the court finds that plaintiff's contention as made in its second cause of action set forth in its petition filed herein, to-wit: that the sinking fund levy made by the Excise Board of Rogers County, Oklahoma, in July, 1924, to take care of road bonds of said county, is not well taken so far as it seeks to have the court declare invalid and unauthorized the action of said Excise Board in making said levy in July 1924 so as to raise a proportionate part of said bonds for the twelve months beginning July 1, 1924, and ending June 30, 1925, in addition to the eight months beginning November, 1, 1923, and ending June 30, 1924, plus interest; on the contrary the court finds that said Excise Board was authorized by law to make such a levy, and that on the valuation of the plaintiff railway company's property in said county during such twenty months period of time, to-wit, \$1,881,933. a levy for such sinking fund purposes was authorized under the law and the facts and should have been made in the sum of \$113 mills. And it further appearing to the court that settlement has been made between the parties as to the excess represented by the difference between 3.13 mills and the 3.97 mills levy complained of by plaintiff in its second cause of action.

IT IS FURTHER CONSIDERED, ORDERED AND ADJUDGED BY THE COURT that the defendant as County Treasurer of Rogers County, Oklahoma, is not required to withhold from proper application distribution, and payment the amount of money represented by said levy, attached by plaintiff, on the valuation of plaintiff's property in Rogers County, Oklahoma, during said twenty months period of time which valuation is the sum of \$1,861,933.00 but on the contrary said defendant as county treasurer is authorized and it is the judgment of the court that he apply distribute and make payment, to said sinking fund for road bonds of said county, and of interest on said bonds, of the money which he has heretofore withheld therefrom because of this action.
