WHEREAS, The United States Attorney for the Northern District of Oklahoma filed in this Court on September 20th, 1926, a regular day of the Special May, 1926, Term of said Court, his accusation and complaint, charging that during the regular session of the above named Court, at the special day 1926 Term thereof while said Court was in regular session, on or about the 25th day of July, 1926, in the City of Tulsa, Tulsa County, Oklahoma, and within the said City wherein a duly assembled Grand Jury was in session, the said defendant Charles Price did improperly endeavor to deter one, C. O. Briggs, a witness duly subpoenaed to appear before the said United States Grand Jury on or about the 26th day of July, 1926, then and there to give testimony concerning knowledge of which he, the said C. O. Briggs, may have been possessed concerning violations of the laws of the United States; that the said defendant herein, Charles Price, was then and there a duly appointed, qualified and acting Deputy, or Under-Sheriff, of Tulsa County, Oklahoma, and that the said defendant, on the said 25th day of July, 1926, on the evening of said day, which was the day prior to and in advance of said 26th day of July, 1926, on which said last named day the witness C. O. Briggs was subpoenaed to appear before the aforementioned Grand Jury, did attempt to intimidate, persuade and influence the said witness, C. O. Briggs to shield certain persons from violation of the Federal Statutes and to give certain false testimony before the said Grand Jury concerning law violations of the United States, and to deter the said witness, C. O. Briggs, from testifying in behalf of the Government concerning the violations of the laws of the United States, knowing full well that the said witness C. O. Briggs had been subpoenaed to appear and testify before the said Grand Jury aforementioned, and,

WHEREAS, Upon said accusation and complaint, this court then and there made an order directing the said Charles Price to show cause before this Court at two o'clock P.M. on the 21st day of September, 1926, at the court room thereof, why he should not be adjudged guilty of a contempt of this Court and,

WHEREAS, on the said 21st day of September, 1926, the said Charles Price appeared with counsel in response to said order, said counsel being C. A. Coakly and Errol Joyce; and,

WHEREUPON, Said Counsel called and ordered the said trial of the defendant Charles Price upon the complaint and accusation filed herein; and the said Charles Price, by his duly appointed counsel, announced ready for the said hearing and after witnesses had been sworn and the trial commenced, upon counsel for other persons, charged by complaint for contempt of this Court, requesting jury trials, counsel for the defendant herein requested a trial by jury for the said Charles Price, but said request, was by the Court, denied and the matter was heard in open court, and witnesses against the said Charles Price were sworn and their testimony given; and,

SPECIAL MAY, 1926 TERM TULSA, OKLAHOMA. FRIDAY, SEPTEMBER, 24, 1926

Now, on this 22nd day of September, 1926, further and additional testimony having been given in said cause and the same having been duly considered by the Court, the Court now finds facts to be, that during the progress of the investigation and sitting of the United States Grand Jury for the Northern District of Oklahoma, in this Court, on or about the 25th day of July, one, C. O. Briggs was subpoenaed as a witness to appear and testify before the aforesaid Grand Jury on the 26th day of July 1926, that on the evening of the 25th day of July, 1926, the day prior to and in advance of the said 26th day of July, 1926, on which last named date the witness C. O. Briggs was to appear and testify before the said Grand Jury, the defendant Charles Price, then and there a duly appointed, qualified and acting Deputy, or Under-Sheriff, of Tulsa, Tulsa County Oklahoma, in wilfull and unlawful contempt of this court, within the said City of Tulsa, Tulsa County, Oklahoma, the same City County and State in which the said Grand Jury was then and there sitting, called the said witness C. O. Briggs over the telephone and requested the witness C. O. Briggs to see him in person; that the said witness C. O. Briggs called at the residence of the defendant Charles Price in the City of Tulsa and at said interview the defendant Charles Price attempted to intimidate, persuade and influence the said witness C. O. Briggs to shield certain persons from violation of the Federal Statutes and to give certain false testimony before the said Grand Jury concerning certain law violations of the United States and to deter the said witness C. O. Briggs from testifying in behalf of the Government as to knowledge he possessed concerning violations of the laws of the United States; that at the said interview, a certain conversation was held, in substance as follows:

"Onis, you have got a subpoena and you are going before the Federal Grand Jury tomorrow, and I want to talk to you about that. There is one thing that I want you to do; I want you to go down there and when you get before the Grand Jury, don't you tell them anything, makes no difference what they ask you, don't tell them anything that will hurt anybody. The reason, Onis, I called you and talked to you was because you were the only man who was clean enough to go down there and talk that they have subpoenaed. They haven't anything on you and nobody else has anything on you and all the boys are afraid you will go down there and tell something, and you are the only one they are afraid of. The rest of the boys have done so much themselves that they are not going down there and tell on themselves. Everyone of the fellows, the rest of them that are going to go down there, they are going to go down there and they are not going to tell anything."

and in said conversation, the said witness C. O. Briggs said to the defendant, in substance, as follows:

"Charles, what if they ask me some questions about some things I know about and I knew that they have the dope on this and they know I know they have this dope, what must I do; Must I tell them about it or tell a falsehood about it and take chance on going to the Federal Penitentiary for perjury."

Thereupon, the said Defendant Charles Price said to the witness C. O. Briggs, in substance as follows:

"How could you go to the Penitentiary for perjury when all of the other fellows who are going down there are going to swear that they know nothing. How could they send you up when all of them are going to tell nothing. Now, Lou North, is your friend, and no one has anything on Lou North, and his hands are clean, but if you go down there and some of these fellows are indicted, it is going to hurt Lou North, because it is under his administration that these things happened, and take place, and we don't want to hurt him. You don't want to do anything that will give Lou North a black eye."

From which facts the Court finds that the defendant Charles Price is guilty of an unlawful attempt to intimidate, persuade and influence said witness C. O. Briggs and unlawfully attempted and endeavored to deter the said witness C. O. Briggs from testifying for the Government concerning facts he possessed of violation of the laws of the United States, and from the facts:
