** RESOLUTIONS OF THE GRAND JURY. **

We, the Federal Grand Jurors of the Northern District of Oklahoma sitting in Tulsa, Oklahoma, this 29th day of July, 1927, wish to offer the following recommendations to the Honorable Court:

The Grand Jury has conducted an investigation into the conditions affecting the Federal Prisoners confined in the Tulsa County Jail, and testimony given before the Grand Jury has shown that prisoners in the jail have had liquor on many occasions. Testimony has been given that immoral conditions have existed between men and women prisoners, and between women prisoners and jailers. Certain Federal prisoners have been allowed to leave the jail at will.

The prisoners are very poorly fed, the food being poor in quality and insufficient in quantity. A check has been made of the food given each prisoner, the cost of such food and the allowance per day which the sheriff receives for feeding the prisoners, which shows that the Sheriff makes an exorbitant profit on feeding the prisoners. As a result of the poor and insufficient feeding the prisoners spend all the month they can get at the Canteen, which is owned by the jailers, and who charge unduly high prices for their wares. Therefore, a large profit is made on the prisoners' food allowances, and a second profit is made by the extra food sold to them. A prisoner is not allowed to receive any food from his family or his friends, but he is allowed to receive money, which goes through the Canteen into the jailer's pockets. A prisoner who has no money suffers considerable hardship because of the poor and insufficient food provided him. This profiteering on helpless prisoners is a most cowardly and contemptible practice. The so called Kangaroo Court or Sanitary Club which exists in the jail is a great evil. If a prisoner committed to the jail has any money this fact is communicated to other prisoners by the jailer. Every prisoner committed to the jail is fined \$5.00 by the Kangaroo Court or Sanitary Club. If he refuses to pay, he is beaten by the other prisoners until he does pay. The Jailers have

District of

OKLAHOMA.

been seen to furnish strags with which prisoners are beaten. The money accruing from these fines is spent at the Canteen for food. This form of organized robbery by mob violence is permitted and encouraged by the jailers who reaps a financial profit from the proceeds. Drinking is common among the jailers. It has been testified that prisoners committed to the County Jail have been locked up by a jailer who was more intoxicated than the prisoner.

In view of these conditions existing in the Tulsa County Jail it is recommended by this Grand Jury that no Federal prisoners be confined in this jail so long as present conditions exist. It is also recommended that an effort be made to find other places of confinement for the Federal Prisoners now confined in the Tulsa County Jail. It is also recommended that the Court institute contempt proceedings against the Sheriff and the jailers for their failure to feed the Federal Prisoners properly, for permitting violence to the Federal Prisoners through the Kangaroo Court or Sanitary Club, and for profiteering on the prisoners through the Canteen.

These recommendations are unanimously accepted by the Grand Jury.

John Lingren,
Foreman of Grand Jury.

G.H. Zechry,
Clerk.

ORDER GRANTING ADDITIONAL TIME IN
WHICH TO PLEAD.

Now on this 28th day of September, 1927, there coming on to be heard an application by and on behalf of the United States for an extension of time in which to plead herein, and the Court, after being fully advised in the premises, finds:

That said applicant was informed and verily believes that the Superintendent of the Five Civilized Tribes, at Muskogee, Oklahoma, has been duly served with process herein, under and by virtue of an Act of Congress of April 12, 1926, together with transcript of the record in this case, which was instituted originally in the District Court of Creek County, State of Oklahoma, but that the office of the United States Attorney has not received such notice of transcript, and that in the mean time said cause has been removed from the District Court of Creek County, State of Oklahoma, to this Court, and although the transcript on file in said cause has been carefully reviewed said applicant has failed to find any such notice in such transcript, and is without further knowledge of the detailed facts, and that since said transcript was duly filed in this Court on September, 9, 1927, it is very likely that said notice has been served upon the Superintendent of the Five Civilized Tribes, although not yet received by the office of the said United States Attorney, and the United States, therefore, should be given additional time in which to plead.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that the United States be, and hereby is given thirty days additional time, from this, the 28th day of September, 1927, in which to plead herein.
