ORDER.

Be It Remembered, that on the 14th day of January, 1928, this cause came on for hearing on the motion of plaintiffs to dismiss the answers of the defendants, United States of America, and The Twin State Oil Company. During the hearing of said motion the defendant, The Twin State Oil Company, asked leave to amend its amended answer filed in this cause on the 11th day of January, 1928, by inserting in page 7 of said answer at the end of the first paragraph and before the Cross-petition, the following amendment, to be considered instantaneously as by interlineation to-wit:

This defendant further answering plaintiffs' amended petition, says:

This defendant says that one, Leslie King, a Creek Freedman, Roll No. 505, was the lawful allottee of the North Half of the North West Quarter of Section 11, Township 18 North, and Range 7 East. That said

allottee went into possession of said premises immediately after the allotment and patenting of said land to him by the Creek Nation on July, 1st, 1907, and he and his successive grantees have been in the exclusive, adverse, peaceable and quiet possession of said land and every part thereof ever since said date, claiming title thereto against all the world and particularly against the plaintiffs herein and their deceased ancestor. That plaintiffs' deceased ancestor never at any time during his life occupied or made any claim of ownership, title to, or right of possession of the lands above described, adverse to the right, title and interest of the allottee, Leslie King, and those claiming by, through and under him.

That if plaintiffs' ancestors acquired any title to or right of possession to the lands in their petition described, his right to maintain and prosecute an action to recover the title and possession of said land from any adverse claimants would in seven years after his right to bring such action accrued to him, be barred under section 447, Mansfield Digest of Laws of Arkansas, of 1884, then in force in the Indian Territory. That the right of plaintiffs' ancestors to prosecute an action to establish his title to and recover possession of the land in the plaintiffs' petition described against one holding the adverse possession and claiming title thereto, would in fifteen years after such cause of action accrued to him be barred under Subdivision 4 Section 183, Compiled Statute of Oklahoma 1921. Each of said respective sections of the laws of Arkansas and Oklahoma above referred to are by reference thereto herein made a part thereof, the same as through copied herein in full.

That the failure of plaintiffs' deceased ancestor, during his life, to prosecute an action for the recovery of possession of the lands in plaintiffs petition described against the allottee Leslie King, and those claiming by, through, and under him, constituting a complete bar at law under the Statute of Limitation of the State of Arkansas and State of Oklahoma, above referred to, against his right or right of plaintiffs herein to now prosecute any such action.

That the North Half of the North West Quarter of Section 11, Township 18 North, Range 7 East, being a part of the lands in plaintiffs' petition described, have been in the continuance, open, notorious, exclusive, adverse possession of said allottee, Leslie King, and those claiming by, through or under him, claiming title thereto against all the world and particularly against plaintiffs and their deceased ancestor, for more than sixteen years, prior to the filing of plaintiffs' petition herein. That by reason of such land, the said Leslie King and those claiming by, through and under him, have acquired a title to said land by prescription under Section 8554 of the Compiled Statute of Oklahoma, 1921 which section by reference thereto herein is made a part hereof the same as though copied herein in full.

That by reason of the conduct of plaintiffs' ancestors, in dealing with the title and possession of the lands in plaintiffs' petition described, and by reason of his failure to assert any title or interest in said land or right of possession thereof during his lifetime, for such length of time, that his right to prosecute such an action to recover the same would be barred by the Statute of limitation applicable thereto, such conduct would and did constitute such laches on his part that would then and will now prevent him or his heirs from maintaining and prosecuting a claim in equity to recover the title and possession of said premises and plaintiffs are thereby estopped from now claiming any relief in equity against either of the defendants, and particularly against this defendant, claiming by, through and under, Leslie King, the lawful allottee of the lands in this defendant's answer described.

There being no objections interposed by counsel for plaintiffs, and it appearing to the court that such amendment should be allowed, it is so ordered.

 IN RE: RECOMMENDATIONS OF THE MINISTERIAL ALLIANCE OF VINITA, OKLA. IN BEHALF OF F. E. KENNAMER, JUDGE.

MINISTERIAL ALLIANCE COMMENDS JUDGE KENNAMER.

The Ministerial Alliance of Vinita, Okla., has learned, through the press of the charges which have been preferred against the Honorable F. E. Kennamer, Judge of the United States Court, for the Northern district of Oklahoma, which charges assail his judicial integrity and trustworthiness. Through observations and information we are aware of the contest he has been waging with the vicious and criminal elements and of the fearless and straight forward manner in which he has enforced the law against them.

Believing that in such a contest there can be no compromise in half-heartedness we take this means by subscribing our names hereto, of expressing our full confidence in the honesty, integrity, and trustworthiness of Judge F. E. Kennamer, and of commending him for the service he has rendered in the enforcement of law.
