JOURNAL ENTRY OF JUDGMENT

Now, to-wit: On this, the 11th day of September, 1928, same being one of the regular juridicial days of the September, 1928, term of the District Court of the United States for the Northern District of Oklahoma, this matter comes on to be heard on the petition of the parties named for a writ of Habeas Corpus; the applicants appeared by Hargis & Yarbrough of Pawhuska, Oklahoma, their attorneys, and also in person; and the relator, United States of America, appeared by John M. Goldesberry, United States District Attorney; and thereupon, both parties announce that they are ready for hearing; and thereupon, the evidence is offered and the case argued; and the court, being fully advised in the premises, finds: That the petition should be sustained and the petitioners discharged.

The court further finds that the search warrant issued in this action is null and void in that the same was based intirely upon the affidavit and complaint which were filed upon information and belief, and that the same is not as required by law, in that it fails to allege and state any fact, the basis of a warrant.

The court further finds that the evidence offered at the preliminary examination before G. B. Mellott, United States Commissioner, Pawhuska, Oklahoma, was insufficient in that it failed to connect the petitioners, or either of them, with the possession of any intoxicating liquors of any kind.

IT IS, THEREFORE, CONSIDERED, ORDERED, ADJUDGED, AND DECREED by the court that the petitioners, and each of them be, and they are hereby discharged from the custody of the United States Marshal; and he is hereby directed to release the petitioners and each of them from his custody.

REPORTING CONDITION OF TULSA COUNTY JAIL

To The Honorable F. E. Kennamer, Judge of the United States Court:

WHEREAS, on the 29th day of July, 1927, a Federal Grand Jury duly empanelled and sworn, sitting in Tulsa, Oklahoma, submitted its report and recommended to this court that no Federal prisoners be sentenced to or confined in the Tulsa County Jail until such conditions as reported to them then existing could be remedied, and

WHEREAS the court is now desirous of obtaining a complete report as to the conditions now existing in the Tulsa County Jail, and has appointed Wilson R. Roach, United States Commissioner, and S. B. Jinks, Deputy Prohibition Administrator, as a committee to obtain such information, the committee begs to report the following:

THAT, on this 12th day of October, 1928, the committee referred to above visited the Tulsa County Jail and made a complete investigation into the manner in which prisoners are handled, conduct of the officials in charge of the jail and also of the prisoners, privileges allowed the prisoners, the manner in which meals are served and also the quantity and quality of the food, sanitation of the jail and many other conditions.

The Committee reports to this court that after making such investigation it is thoroughly convinced that the jail is in charge of capable and competent persons, that rules are properly enforced, good food is served to the prisoners and that exceptional care is taken to provide the best of sanitation.

The committee respectfully recommends to the court that the Tulsa County Jail is proper place for confinement of Federal prisoners, if the court so desires.

ORDER MODIFYING SENTENCE

The above matter coming on regularly to be heard before me, the undersigned Special Judge of the above named court, in the above entitled Cause, on this the 19th day of October, A. The Court further finds that said A. P. Kennedy was jointly indicted, tried and convicted with one J. Y. Kennedy and one J. L. Clark, of the crime of conspiracy to violate the prohibitory liquor laws of the United States; that after the conviction of the said three defendants by the Jury, it was the intention of the undersigned Special Judge to so sentence each and all of said defendants, that the punishment by imprisonment of each and all of them should and would begin and end at the same time, but said Judgment and sentence, contrary thereto, was so entered upon the records of this Court as to make the time of said imprisonment begin on the 3rd day of July, A. D., 1928, instead of the 2nd day of April, 1928, so as to make the time and term of imprisonment of each and all of said three defendants run concurrently and expire upon the same date. FINDINGS OF FACT

I find that the deceased, Asie Parker, upon his induction or enlistment on or about the 2nd day of August, 1918, was passed and accepted by the defendant as physically and mentally fit for military service and assigned to duty in such service, and thereafter he made application for Ten Thousand Dollars (\$10,000.00) life insurance under the conditions of the War Risk Insurance Act, and its amendments, and that said application was accepted and policy of insurance issued by defendant

to said Asie Parker, deceased, providing that in the event of his death or permanent and total disability, said sum should be paid at the rate of Fifty-seven and 50/100 Dollars, (\$57.50) per month; and that while in the service, said deceased, as a result of contracting tuberculosis, was discharged from said military service on May 16, 1919, and that on said date of his honorable discharge from the military service, to-wit:- the 16th day of May, 1919, which discharge was by reason of a certificate of disability issued by one of the defendant's surgeons, such disability being as a result of pulmonary tubercular condition, such tuberculosis being contracted, aggravated and developed in the services of the defendant, he then and there was and became totally and permanently disabled, which said impairment rendered it impossible for him to follow continuously any substantially gainful occupation; and that at the time of said discharge on the 16th day of May, 1919, said insurance policy was in full force and effect and continued in such condition up to and including May 31, 1919, and by reason of statutory conditions, remained in full force and effect for thirty days thereafter said 31st day of May, 1919, and that at the time of his discharge, May 16, 1919, and from and to the date of his death, August 6, 1924, said deceased was by reason of the impairment of body and mind because of such disease, contracted, aggravated and developed in the services of the defendant, permanently and totally disabled and that it was reasonably impossible for him to follow continuously any substantially gainful occupation, and that he had been since on or before his discharge and while said insurance was in full force and effect; that said impairment of said Asie Parker, deceased, was increased, aggravated and intensified by said services and resulted in his becoming permanently and totally disabled at the time of, and on and after his discharge; and that there was a disagreement between the plaintiffs and defendant at the time of the filing of this cause of action and that this action is an action authorized by the World War Veterans' Act; that there is now due and owing to O. A. Thomas, Administrator of the estate of Asie Parker, deceased, by the defendant the sum of Three Thousand Five Hundred Sixty-five Dollars, (\$3565.00), being the Fifty-seven and 50/100 (\$57.50) Dollars, per month from the first day of June, 1919, until the first day of August, 1924. There is also due and owing Edna Parker, the duly designated beneficiary of said insurance policy, the sum of Two Thousand Nine hundred Thirty-two and 50/100 Dollars (\$2932.50), which represents the payments at the rate of Fifty-seven and 50/100 Dollars (\$57.50) per month from the first day of August, 1924, until the date of this judgment; and that the plaintiffs have employed counsel to file and prosecute this cause and that said counsels are entitled to receive for their services, as reasonable attorneys' fees the sum of ten per cent of the judgment herein.
