United States of America, Plaintiff

vs.

W.M. Ward Jr. and Roy Locke, Defendants

No. 4072 Cr.

ORDER FOR FORFEITURE OF AUTOMOBILE

Now on this 12th day of February, 1930, this matter coming on to be heard on the motion of the above named plaintiff, and the Court after hearing the evidence offered and being fully advised in the premises, finds that the above named defendants, Willis M. Ward Jr. and Roy Locke have this day been adjudged guilty in the above styled and numbered case, for possession and transportation of intoxicating liquors, to-wit: 50 gallons of whiskey and one gallon of alcohol, in violation of the National Prohibition Act, and that said transportation was made in a Chrysler Coupe automobile, Motor No. P212472, said transportation being from a point in the town of Sapulpa, Creek County, State of Oklahoma and in the Northern District of Oklahoma, to a point about two and one half miles east of said town of Sapulpa, in said county, state and district, and that said automobile was seized and is now in the custody of the United States Marshal for the Northern District of Oklahoma.

The Court further finds that said transportation in said automobile was in violation of Section 26, Title 2, of the aforesaid National Prohibition Act and that there has been no good cause shown why said automobile should not be forfeited as provided in said National Prohibition Act, for the illegal transportation of intoxicating liquor.

The Court further finds that on November 6, 1929, the Honorable A. W. Mellon, Secretary of the Treasury of the United States of America, made a request to this court that said Chrysler Coupe automobile, Motor No. P212472, and all equipment and accessories as forfeited in this case, be delivered to the Treasury Department of the United States for the use of the Bureau of Prohibition in the enforcement of the National Prohibition Act, as provided by said Act, and the Court further finds that said request should be granted.

It is therefore the order of the Court that one certain Chrysler Coupe automobile, 1929 Model, Motor No. P212472, now in possession of the United States Marshal for the Northern District of Oklahoma, be and the same is hereby forfeited to the United States Government, in accordance with the request of the Treasurer of the United States.

It is further ordered that the United States Marshal of the Northern District of Oklahoma be, and he is hereby ordered and directed to deliver said Chrysler automobile to the Treasury Department of the United States for use of the Bureau of Prohibition in the enforcement of the National Prohibition Act as provided by said act, and this order shall be sufficient authority for said Marshal of said Northern District to deliver said automobile as herein ordered.

JOURNAL ENTRY OF JUDGMENT

Now of this 27th day of February, 1950, the above entitled cause came on regularly for trial, plaintiff appearing by his attorney of record and the defendant American Surety Company of New York, a corporation, appearing by its counsel of record, but the defendant C. E. Groom appeared not either in person or by counsel and, after being called three times at the bar of the court was adjudged in default; and being fully advised in the premises, the court finds:

That, although the defendant C. E. Groom has been served personally with summons in this cause in the manner provided by law, and although the time fixed by said summons and the law within which said defendant had the right to answer or otherwise plead to the plaintiff's petition, said defendant has failed to appear, answer or otherwise plead to plaintiff's petition and is by the court adjudged in default and is adjudged to have confessed all of the material allegations of plaintiff's petition.

The court further finds that the plaintiff and the defendant American Surety Company of New York, a corporation, have stipulated and agreed between themselves, by and with the consent and approval of the Comptroller of the Currency of the United States of America that judgment may be entered in this cause in favor of the plaintiff and against the American Surety Company of New York, a corporation,

for the sum of \$12,500.00, which amount has this day been paid by the said defendant American Surety Company of New York, a corporation, to the plaintiff in open court, and the same hereby is acknowledged as complete settlement of all the liabilities of the defendant American Surety Company of New York, a corporation, to the plaintiff under the indemnity bond declared upon in this action, and that the payment thereof this day made is acknowledged as satisfaction in full of said judgment.

The court further finds that the defendant C. D. Groom is liable to the plaintiff in the full amount sued for in this action and that judgment should be entered herein in favor of the plaintiff and against the defendant C. D. Groom as principal for the full amount sued for in plaintiff's petition and that the defendant American Surety Company of New York, a corporation, by virtue of the payment of the sum of \$12,500.00 to the plaintiff as surety for the said C. D. Groom is entitled to judgment against the said C. D. Groom for the said sum of \$12,500.00.

C O R D E R

Now on this 1st day of March, 1930, the same being one of the regular judicial days of the January 1930 term of the District Court of the United States for the Northern District of Oklahoma, and said court being regularly in session, the Honorable F. E. Kennamer, Judge, presiding, this cause came on to hearing on the report of the General Motors Acceptance Corporation and the disposition of one Chevrolet Coupe automobile, serial No. 3AB212581, motor No. 5062631,

And it being made to appear to the Court that said automobile was seized while transporting intoxicating liquors at the time of the arrest of the defendant in this case, and that thereafter the General Motors Acceptance Corporation filed its petition and intervention, setting out the fact that said General Motors Acceptance Corporation had a conditional sale contract on said automobile on which there was

at the time said automobile was seized, an unpaid balance of 125.00, and that immediately upon said automobile being seized that the said General Motors Acceptance Corporation executed a bond for said automobile and that said General Motors Acceptance Corporation has since said date, had possession of said automobile except as hereinafter shown.

That at the time said Intervener took possession of said automobile under said bond, said automobile was in a bad state of repairs, and the Interveners on their own election placed some 60 worth of repairs thereon and thereafter sold the automobile for the sum of 230.00.

That said Interveners have this date tendered into court the balance over and above their loan, or the sum of 104.00.

The Court finds that said Interveners are not entitled to reimbursement for said repairs and that said automobile, at the time of sale, was reasonably worth the sum of 300.00, and that the Intervener was entitled to a loan of 196.00 on the automobile, and that said Tender into Court should be accepted.

IT IS THEREFORE THE ORDER OF THE COURT, that the Tender into Court, of 104.00 by the Intervener, be, and the same is hereby accepted and ordered paid to the credit of the plaintiff, the United States of America, to the Clerk of this court, forthwith.
