JOURNAL ENTRY OF JUDGMENT

NOW on this 7th day of January, 1930, the above entitled cause came on regularly for trial upon the petition of the plaintiff filed herein and for hearing upon the motion of the plaintiff for judgment on the pleadings against the defendant Mildred C. Barker; plaintiff appearing by his counsel of record and the defendants appeared not, either in person or by counsel, but each of said defendants made default and were by the court adjudged in default; and being fully advised in the premises, the court finds:

That each of the defendants in this cause have been duly served personally with summons; that the defendant Joe H. Barker, although the time fixed in the summons served upon him within which he might answer the petition of the plaintiff or plead thereto, has long since expired, said defendant has failed to demur, plead or otherwise answer the petition of the plaintiff and is in default and was by the court adjudged in default and to have confessed all of the material allegations of plaintiff's petition.

The Court further finds that the defendant Mildred C. Barker, after she had been served with summons in this cause, filed herein her unverified answer consisting of a general denial to each of the two separate causes of action set out in plaintiff's petition; that plaintiff has heretofore filed in this cause his motion for judgment on the pleadings against the defendant Mildred C. Barker, which motion was heard and considered by the court and sustained.

The court further finds that the defendants, and each of them, are justly indebted to the plaintiff under plaintiff's first and second causes of action as alleged and set forth in plaintiff's petition, and that plaintiff is entitled to judgment against said defendants, and each of them, as per the prayer of plaintiff's petition.

ORDER FOR RELEASE OF CHEVROLET COUPE AUTOMOBILE

It being made to appear to the Court that the Chevrolet Coupe automobile, Motor #971791, Serial #3AC125612, heretofore mentioned, and which was seized while being used by one Charles E. Brooks for transporting intoxicating liquor in the Northern District of Oklahoma,

And it further being shown that at the time of said seizure, on or about December 28, 1929, in said district, that the General Motors Acceptance Corporation held the valid subsisting recorded chattel mortgage against said Chevrolet Coupe, on which mortgage there was an unpaid balance of \$368.00 which would be a valid first lien against said automobile, and it being further shown that the said General Motors Acceptance Corporation did not in any way give their consent nor did they have knowledge that the said automobile at the time of its seizure or at any time theretofore was being used for the purpose of transporting intoxicating liquor,

And it being further shown that the value of said automobile would probably not exceed \$375.00 and that the sale price on forced sale would probably be less than that amount, and not more than \$350.00, and that because of said unpaid balance on said mortgage of \$368.00, that said automobile if held by the Plaintiff in this case and sold, and the said mortgage first should be satisfied therefrom, that the Government would derive nothing as a result of said confiscation for sale, and that under the National Prohibition Act and the rulings of the Court thereon said mortgagee has a first lien on said automobile and which would have to be satisfied at said sale.

It is therefore the order of the Court that said Chevrolet Coupe automobile, Model #971791, Manufacture Serial #3AC125612, 1929 Model, seized as aforesaid, be released to the mortgagee, General Motors Acceptance Corporation, the said mortgagee assuming and agreeing to pay all storage charges against said automobile as a result of said seizure and holding the Government, United States of America, blameless,

Now, on this 5th day of February, 1930, the above matter comes regularly on for hearing upon the verified petition of intervention of the General Motors Acceptance Corporation for an order finding that the said The General Motors Acceptance Corporation has a valid first lien upon the Chevrolet Roadster described in its petition for intervention under a conditional sales contract, and for an order releasing said car to the petitioner.

The United States being present by its District Attorney, John M. Goldesberry, and the petitioner being present by its Attorney, Vincent F. Hiebsch, the Court proceeded with the hearing thereon. The petitioner introduced its evidence in the form of a verified copy of a conditional sales contract and an appraisal of said automobile. The Court, after listening to said evidence and hearing the argument of counsel and being fully apprised in the premises, finds that the petitioner, The General Motors Acceptance Corporation has a valid first lien upon a 1929 Chevrolet Roadster, Motor No. 589335, Serial 5A.C.18423 under a conditional sales contract to Peter Garrison and William T. Prince, with a balance due thereon of Three Hundred Ninety Four (\$394.00) Dollars, together with interest at the rate of 10% percent per annum, from the sixth day of October, 1929. That said contract was filed for record in the Recorder's Office at Muskogee, Oklahoma, on July 8th, 1929.

The Court further finds that the value of said car does not exceed the lien thereon by the petitioner, and that there would be no equity in the car over and above the lien in case it were sold. The Court further finds that said Chevrolet Roadster taken in this action should be released to the petitioner, The General Motors Acceptance Corporation upon its payment of the storage cost to the Vandruff Garage at Hominy, Oklahoma.
