ORDER APPROVING RECEIVER'S OCCUPANCY
AND USE OF THE PREMISES AND AUTHORIZ-
ING PAYMENT OF RENTAL AND ENTERING
INTO AN AGREEMENT FOR CONTINUED USE
AND OCCUPANCY.

NOW on this 14th day of June, 1930, there coming on regularly hearing the application of Geo. M. Janeway for an order of this court approving his action in occupying and using the factory, building and premises and machinery of the defendant, Janses-Jenkins, Inc., at 1209 to 1211 North Frankfort Avenue, in the City of Tulsa, Oklahoma, and authorizing said receiver to pay to the owner of said premises and machinery a reasonable rental for such use and occupancy and for authority to enter into an agreement with the said owner for the continued use and occupancy of said machinery premises; said applicant appearing in person and by his attorneys of record, Aby & Tucker, and said C.H. Terwilleger, owner of said premises, appearing in person and by his attorney, George B. Schwabe; and, after hearing the evidence offered in support of said application and no opposition being offered thereto and said owner of said premises and machinery expressing, in the court, his approval of and agreement thereto, and the court being fully advised in the premises finds that on April 6, 1930, when said Geo. M. Janeway took charge and possession of the business of the defendant, Janses-Jenkins, Inc., the said business was a going concern and was being conducted and operated in and on said premises owned by C.H. Terwilleger at the aforesaid address, and that said defendant company was also using certain machinery in said building which was also owned by the said C.H. Terwilleger, and that it is right and proper that said receiver should continue to operate said business as a going concern, as heretofore directed by this court; that it is also right and proper that said business should be continued in the same location until the further order of the court; that said receiver has continued to operate said business in said same location, and the court, therefore, now approves the action of said receiver in continuing said operation occupying and using the said premises and machinery owned by the said C.H. Terwilleger.

THE COURT FURTHER FINDS that the said defendant, Janses-Jenkins, Inc., had never paid the owner of said premises and machinery rental for the use thereof and that no agreement had ever been entered into for such use and occupancy.

THE COURT FURTHER FINDS that said owner of said premises and machinery is entitled to receive from the said receiver herein a reasonable rental for the use and occupancy of said machinery and premises; and the court finds that One Thousand (\$1,000.00) Dollars a month is a reasonable rental for the use of said building and premises, and for the use of said machinery.

THEREFORE, in accordance with the application of said receiver by agreement, in open court, of said owner as to the said rental value,

IT IS, BY THE COURT, ORDERED, ADJUDGED, AND DECREED that the said receiver be and he hereby is ordered and directed to pay to the said C.H. Terwilleger the sum of One Thousand Dollars per month as the reasonable rental for said building and premises now occupied by the receiver in this case and for the use of the machinery located therein and owned by the said

. Terwilleger, and said receiver is authorized and directed to pay to the
d C.H. Terwilleger, at the aforesaid rate, for the two months that have
ired since the appointment of said receiver herein, and that he is
horized and directed to enter into an agreement at this time with the
d C.H. Terwilleger for the continued occupancy and use of said premises
