ORDER AUTHORIZING SALE OF SHARES OF BANK STOCK.

This cause coming on to be heard at this term on the petition of J. H. McBirney receiver, for authority to sell certain shares of stock in the American National Bank at Bristow Oklahoma, owned by the Southwest Bank Shares Corporation.

The court finds that said receivership is the owner of 50 1/2 shares of the capital stock of the American National Bank of Bristow, Oklahoma, out of a total of 500 shares, of a value of \$100 each.

That there is danger of an assessment on said stock which will entirely destroy its value; that the United States Banking Department is insisting on the rehabilitation of said bank by the investment of additional capital, and that in two different instances said shares have sold at \$4 per share and that said sales have been approved by the Probate Court of Tulsa County, Oklahoma, and the Reconstruction Finance Corporation.

That Albert Kelly of Bristow, Oklahoma, offers to pay \$4 per share for the 50 1/2 shares owned by said receivership estate, or a total of \$202.00, and that it is to the best interest of said estate that said sale be made at said price.

DECREE

Now on this 19th day of February, 1934, this cause came on regularly to be heard in open court, before honorable F. E. Kennamer, Judge presiding, and the plaintiff, the United States, being present by C. E. Bailey, United States Attorney for the Northern District of Oklahoma, and A. E. Williams, Assistant United States Attorney for said district, and the defendant Jesse James Lewis, being present in person and by his attorney, J. Bernard Smith, and the defendant, Emma West, administratrix of the estate of Wallace G. Moore, deceased, being present in person, and the defendant, George Foster, having shown to the Court that he is not administrator of the estate of Hannah Moore, deceased, said cause is dismissed as to said George Foster; and the defendant, Emma West, Admx. of the estate of Wallace G. Moore, deceased, being a party to this suit for the reason only that she holds certain monies, over which the controversy herein has arisen between the United States and Jesse James Lewis, has not filed an answer herein; and plaintiff and the defendant, Jesse James Lewis having announced ready for trial;

WHEREFORE, plaintiff having introduced its testimony and rested; and the defendant Jesse James Lewis having introduced his testimony and rested, and both parties having closed their testimony, and the Court having heard the argument of counsel and being advised in the premises finds that Wallace G. Moore, deceased, was enlisted in the United States Army during the World War on the 18th day of July, 1918, and during said enlistment he applied for and was granted a \$10,000.00 War Risk Insurance policy, and named as the beneficiary therein his wife, Hannah Moore. That on November 7, 1918, and while said policy was in full force and effect the said Wallace G. Moore departed this life, and since the date of his death said beneficiary, Hannah Moore was granted pay under said policy in the sum of \$57.50 per month, which she drew regularly until her death on or about January 30, 1933, and that in the year 1920 the said Hannah Moore applied for and was granted a widow's compensation under the compensation law of the United States for deceased veterans, at the rate of \$25.00 per month, which she continued to draw each month until June 6, 1924, at which time said compensation was increased to \$30.00 per month, which she drew until her death as the widow of Wallace G. Moore deceased.

The Court further finds that during the year 1924, or thereabout the said Hannah Moore became the common law wife of Jesse James Lewis, and that said parties continued to live together as husband and wife from about the year 1924 until the death of Hannah Moore, above shown, and that during all of said period of time the said Hannah Moore and Jesse James Lewis were living together as husband and wife the said Hannah Moore knowingly, fraudulently and unlawfully drew \$30.00 per month from on or about June 6, 1924, until the date of her death, from the Veterans Administration of the United States as the widow of the said Wallace G. Moore, deceased when in truth and in fact she was not entitled to said compensation after the effecting of the common law marriage between said Hannah Moore and the said Jesse James Lewis, and that thereby the said Hannah Moore received from the United States, without authority of law, the sum of \$30.00 per month during the existence of said common law marriage, amounting in all to \$324.00, and that therefore the Government of the United States in this cause is entitled to reimbursement from any fund now belonging to the estate of the said Hannah Moore, deceased.

The Court further finds that Emma West, Admx. of the estate of Wallace G. Moore deceased, now has in her possession as said Admx. the sum of \$772.12, which is a part of the funds belonging to the estate of the said Hannah Moore, deceased, as a result of her being an heir of the said Wallace G. Moore, deceased, and that said amount should be returned to the United States Government by said administratrix which would be distributed to Jesse James Lewis.

IN THE DISTRICT COURT OF THE UNITED STATES OF AMERICA FOR THE DISTRICT
 DISTRICT OF OKLAHOMA
 REGULAR JANUARY 1934 TERM-EDWYD KERRISON, TULSA, OKLAHOMA, FEBRUARY 26, 1934

The Court further finds that there are no other funds in the hands of said administratrix belonging to the estate of Wallace G. Moore, deceased, or Hannah Moore, deceased, all other funds having been distributed by said administratrix on the order of the County Court of Tulsa County, Oklahoma before the institution of this suit, and that a recovery cannot now be by this Court ordered returned as a part of the estate of the said Hannah Moore, deceased.

IT IS HEREFORERE THE ORDER AND JUDGMENT of the Court that Emma West, administratrix of the estate of Wallace G. Moore, deceased, pay in to the Clerk of this Court the sum of \$772.12, the sum she now has under her control as a part of the estate of Wallace G. Moore, deceased, and which belonged to the estate of Hannah Moore, deceased, and that said sum by the Clerk of this Court be turned to the United States Treasury.

IT IS THE FURTHER ORDER of the Court that the defendant, Jesse James Lewis pay the costs of this suit, to which order and judgment of the Court the defendant, Jesse James Lewis excepts and exceptions are allowed.

Exchange Trust Company in Liquidation, Defendant.)

D E C R E E

This matter coming on to be heard at this term on the Bill of Complaint of plaintiff and upon responses to the petitions of intervention filed herein praying for the appointment of a successor trustee to the Exchange Trust Company of Tulsa, Oklahoma, all parties appearing by their respective solicitors, and the court having heard the statements of witnesses sworn and examined by the court, and being fully and sufficiently advised, finds:

(1) That prior to the receivership of the Exchange National Company and prior to the time that the Exchange Trust Company passed into the hands of W. J. Barnett, Bank Commissioner of the State of Oklahoma for the purpose of liquidation, the Exchange National Company, an Oklahoma corporation, was the owner of various and sundry notes, bonds and other securities, issued by various industrial organizations; and said Exchange National Company was desirous of issuing guaranteed participation certificates evidencing part ownership or participation in said note bonds and other securities to any and all persons, firms or corporations desiring to purchase same as investments; that it was desirous of securing the prompt and punctual payment of both the principal and interest of said participation certificates, when the same became due according to their tenor, by assignment, transfer and deposit with the Exchange Trust Company, as trustee of a sufficient amount of such notes, bonds and other securities.

(2) That, pursuant to the terms of said trust agreement, the Exchange National Company issued and there are now outstanding guaranteed participation certificates in the to sum of \$13,500, and it has transferred, assigned, and delivered to said Exchange Trust Company as trustee, for the protection and benefit of the holders and owners of said guaranteed participation certificates, the following, among other, securities:

Bonds of Stadium Corporation:

Number M-69, M-91, M-107 and D-117,
 aggregating a par value of \$2,750.00.

Bonds of Liberty Glass Company:

Number 224, 225, 252 and 253,
 aggregating a par value of \$3,000.00.

Bonds of Tulsa Tribune:

Number D-66, D-68 and C-81,
 aggregating a par value of \$1,100.00.

Bonds of Pulliam Company:

Number 118, 125 and 267,
 aggregating a par value of \$2,500.00.

Other securities in the aggregate amount of \$4,150.00 were originally deposited under said trust agreement as security for said certificates, but said bonds have been liquidated and converted into cash, and by the trustee wrongfully converted into interest in real estate mortgages.

(3) That the Exchange National Company of Tulsa, Oklahoma, is in the hands of receiver for the purpose of liquidation and the Exchange Trust Company of Tulsa, Oklahoma, is in the hands of T. J. Barnett, Bank Commissioner of the State of Oklahoma for the purpose of liquidation.

(4) That the conditions existing at the time of the creation of the trust and essential to the operation of the trust agreement, have ceased to exist; the Exchange National Company is insolvent and is unable to repurchase any of the participation certificates issued by it and the Exchange Trust Company is unable to continue to act as trustee.

(5) That, as heretofore stated, part of said funds have been invested in real estate mortgages on which taxes are delinquent and the security held by the trustee will be destroyed unless some funds are made available to pay said taxes, and the said securities will suffer in other ways unless they are adequately protected.

(6) That since the execution of the trust agreement a business depression has occurred in the United States and in the State of Oklahoma, and in many cases the mortgagees of the mortgages held by the trustee have become insolvent so that judgments against them would be valueless.

(7) That in conserving and protecting the trust estate it is imperative that the mortgages and other assets in the trust estate be serviced, maturing principal and interest collected, insurance policies on mortgages properties kept in force, taxes paid, and the trust estate administered generally, which will require the services not only of a Trustee, but of assistants and attorneys, concerning all of which the Trust Agreement contains no provisions or possible of execution, the provisions of the Trust Agreement in that regard now being impossible of performance because of the matters hereinbefore set out.

(8) That the powers conferred on the Trustee by said Trust Agreements are wholly inadequate and insufficient for the safe and orderly administration of the trust estate created thereby, and its preservation and security, and parts of the corpus of such estate will be totally lost and destroyed and the whole of said estate be lessened and impaired and its value

depreciated, if not completely destroyed, if the trustees of such trust must continue to operate and administer the trust estate wholly within the limits and compass of said Trust Agreement, it is essential to the continuance of the existence of the corpus of the trust estate and its preservation in whole or in part, for the trustee of such trust to be invested with and have conferred upon him the powers hereinafter granted, and unless such powers are so conferred, plaintiff and all other certificate holders will suffer and sustain great and irreparable damage and injury by reason of the loss of some of the items composing the corpus of such trust estate on account of being sold for the payment of taxes or by being destroyed by fire or storm, and in the diminution of the value of the remainder thereof, That at and on the execution and delivery of said trust agreement and the said Participation Certificates secured thereby, none of the parties to any of such instruments believed, or had reason to believe, that the facts necessitating an increase of the powers of the trustee as above stated, would ever occur or arise, and if such facts had been believed to be within the range of possibility, powers and provisions adequate to meet such exigencies if and when they arose would have been provided for and provisions governing such exigencies would have been incorporated in said Trust Agreement, and in order to prevent the destruction and loss of said trust property or a part thereof as aforesaid, it is necessary for this court in the exercise of its equitable powers and jurisdiction, to prevent the failure of trusts and to preserve and protect trust estates and to supervise the administration thereof to confer the powers hereinafter granted to the trustee named by this court to prevent the failure of the trust hereinafter set out and to protect and preserve the corpus of such trust estate and its proper administration.

(9) That the trustee herein should be discharged and a successor trustee be appointed, as prayed for in the original bill herein and in the responses herein.

(10) That due and legal notice of this hearing has been given to all holders and owners of said Participation Certificates, and no objections have been filed or made to the entry of this decree, and said notice and the time and manner of serving the same is hereby approved.

IT IS, THEREFORE, CONSIDERED, ORDERED, ADJUDGED and DECREED by the court that W. O. Buck be and he is hereby appointed trustee of all the bonds, notes, securities, participation certificates, and other evidence of ownership of indebtedness securing these collateral trust certificates issued by the Exchange National Company under trustee agreement of July 19, 1928, between said Exchange National Company and The Exchange National Bank of Tulsa, Oklahoma with all the powers conferred by it to continue said trust agreement, excepting as hereinafter restricted, and with the following additional powers, which are hereby and hereunder, conferred upon the said W. O. Buck as successor trustee.

(a) To pay taxes, special assessments, and other liens upon any of the property covered by mortgages or other liens given to secure payment of the guaranteed first lien Participation Certificates when in the judgment of said trustee it is necessary and beneficial to the trust estate so to do.

(b) To employ an attorney designated by the holders of said Participation Certificates and to pay his compensation out of the trust estate.

(c) To accept deeds conveying to him as such trustee in satisfaction of mortgages held by him, the fee simple title to properties on which such mortgages constitute liens.

(d) Subject to approval of this court, to distribute from time to time to Participation Certificates holders portions of the corpus of the trust estate, as dividends in liquidation.

Provided, however, that said trustee shall have no power to sell or dispose of without previous approval of this Court, upon application of the certificate holders, or part of them, any of the bonds or securities above described by name.

FINDINGS AND DECREE

This cause has heretofore been heard and taken under advisement and on this 28 day of February, 1934, comes regularly on for determination, the parties being present by the counsel whereupon the court finds:

That on December 3, 1926, defendant duly issued and delivered to plaintiff the policy, the original of which is identified in the evidence as "Exhibit A", and plaintiff duly paid the several premiums thereunder thereafter accruing down to and including the premium for the year ending December 3, 1928;

NEWSPAPER JANUARY 1934 THREE-SEVEN EDITION WILMINGTON, DELAWARE ED. WOODS, MANAGER '34, 1934

That on June 13, 1928, plaintiff underwent an operation at Johns Hopkins Hospital for a tumor on the brain; that such operation consisted of removing a portion of plaintiff's skull, going into the brain cavity, and removing from the brain one tumor which was located on the right side of the brain, but leaving two other tumors, one of which was located at the top of the brain, and which remaining tumors were not removed because of the danger to plaintiff's life in attempting to remove same; that, to the end that in case of pressure on the brain, due to the remaining tumors, there would be room left for expansion, that portion of the skull which was removed was not replaced after the tumor was taken out;

That in October, 1928, notice of total disability and claim thereon under the above policy was filed on behalf of plaintiff with defendant; that thereupon defendant approved said claim of total disability and accepted the aforesaid proof thereof and did notify plaintiff thereof, and of discontinuance of further premiums under said policy whereupon defendant paid to plaintiff the monthly disability benefit of October, 1928, in the amount of \$20.00, and thereafter, on November 1, 1928, paid to plaintiff the monthly disability benefit for the month of November, 1928, in the amount of \$20.00;

That continuously from the time of such operation the plaintiff has been and is, partially paralyzed on the left side, including the left arm and leg, and suffers a total lack of co-ordination of said two members; that plaintiff is, and continuously since the time of operation has been, by reason of his aforesaid condition, unable to endure heat, unable to remain in the sun for any extended period of time, and quite frequently, in fact from one to several times a month, is affected by an acute paralytic stroke, rendering it impossible for him to stand on his feet, and that the frequency thereof has gradually increased from the date of operation; that continuously since said operation any attempt of plaintiff to work has been liable to excite, aggravate, and intensify, the above condition, thus making it hazardous not only to plaintiff's life, but to the life of any person working with him or near him, if he should work or attempt to work, and that the exercise of reasonable care and prudence for his own safety and life, as well as for the safety and life of others, requires, and at times since the aforesaid operation has required, that he desist therefrom, and it has at all times since said operation been reasonably certain that such condition would continue throughout the remainder of plaintiff's life; and that he should at all times so desist from work or attempting to work has continuously been and is the advice of competent doctors familiar with plaintiff's condition, whose opinion it likewise is that it has at all times since said operation been reasonably certain that such condition will continue throughout the remainder of plaintiff's life, and there is no opinion or evidence, either medical or otherwise, that this is true; in fact, it is all to the effect that this is true. Furthermore, that it is dangerous for plaintiff to attempt to work is demonstrated by an actual occurrence when he did so attempt which occurrence may reasonably be attributed to plaintiff's aforesaid disabled condition;

That, in November, 1928, the plaintiff was in desperate financial need and, notwithstanding his aforesaid condition, did attempt to work and to perform labor; that plaintiff and his wife did not know what effect such attempt to work would or might have on plaintiff's right to continue to receive the aforesaid total disability benefits under said policy and believed that in the exercise of good faith it was their duty to advise the defendant company of the fact that plaintiff was again attempting to work and in pursuance thereof, and believing that the defendant knew and would, in like spirit, advise them as to the effect thereof, on about November 17, 1928, plaintiff's wife did, by letter, advise the defendant that plaintiff was trying to work; and that if he was able to continue they would be glad to resume payment of premiums on the policy, and, in effect, inquired as to what should be done;

That the defendant, without making or causing any examination of plaintiff to be made, and without even interviewing or consulting him or anyone in his behalf, did make demand for the resumption of payment of premiums under said policy and threatened cancellation thereof in the event same were not resumed and discontinued payment of said disability benefits, when in truth and in fact, no further premiums were or would become due thereunder, and there was then by the terms of said policy and because of the aforesaid disability of plaintiff, the definite obligation on defendant to pay the beneficiary under said policy the sum of \$2,000.00 upon the death of plaintiff and of the filing of due proof thereof with defendant,

That plaintiff made two other attempts to work, one in September, 1930, which was for a period of about two weeks and which he was obliged to discontinue due to his aforesaid condition; and the other in 1933, which was for a period of two days and which he was obliged to discontinue due to his aforesaid condition; that the attempt to work from November to February and the work in September was for a former employer who realized plaintiff's condition and gave him such work chiefly as an act of charity; the two days work was on a civic "made-work" job; all work being against the advice of his physician;

The question of whether plaintiff is and continuously since said operation has been "wholly and permanently disabled" etc., as specified in the policy is, perhaps, a mixed question of law and fact, and insofar as it involves fact the court finds as a fact that plaintiff is and continuously since said operation in June, 1928, has been "wholly and permanently disabled" so that he has been, is and will be permanently continuously and wholly prevented from performing any work for compensation or profit, or from following any gainful occupation";

That plaintiff remained under the hereinbefore stated misapprehension until June 1932, when he ascertained his rights, whereupon he caused due demand to be made on defendant for the re-instatement of said policy, and for the accrued monthly benefits, and for a refund of the premiums paid by him after November, 1928, with which demand defendant refused to comply;

That the total monthly benefits from December 1928, when they were discontinued, down to this date, amount in the aggregate to \$1260.00, and the interest thereon from the respective due dates thereof at 6% per annum to this date is the sum of \$194.30; that the total of premiums paid by plaintiff to defendant after November, 1928, amount in the aggregate to \$114.50 and the interest thereon at 6% per annum to this date amounts to the further sum of \$20.73, no part of which has been paid.

From which the court concludes:

That the disability of plaintiff described in the foregoing findings is and continuously since said operation has been such as to constitute him wholly and permanently disabled so that he is and will be permanently, continuously and wholly prevented thereby from performing any work for compensation or profit, or from following any gainful occupation, within the meaning of the terms of the policy sued on.

The mere fact that plaintiff did attempt to work should not, of itself, be so construed as conclusively establishing his ability so to do, and cannot be so construed where, as here, the evidence conclusively shows that he should not have done so.

There was no duty on plaintiff to pay further premiums after October 1928, and save where, under the circumstances recited, resumed under a mistake of law and fact, and in the circumstances recited defendant cannot be heard to complain, but should be required to refund the premiums so exacted, re-instate the policy as it was on November 1, 1928, and pay the monthly benefits provided thereby.

Therefore, it is the conclusion of the court

(1) That plaintiff is entitled to have said policy of insurance re-instated precisely as it was on November 1, 1928;

(2) That plaintiff is entitled to recover from defendant, on account of non-payment by defendant of monthly disability benefits from December, 1928, to February, 1934, both included, that is sixty-three (63) months at twenty dollars (\$20.00) per month, that is \$1260.00, together with interest at 6% per annum thereon from the respective due dates thereof, which interest to this date amounts to \$194.30;

(3) That plaintiff is entitled to recover from defendant the further sum of \$114.50, being amount of premiums payments made after November, 1928, together with interest at 6% per annum thereon from the date of payment thereof, which interest to this date amounts to \$20.73;

And accordingly it is by the court

ORDERED, ADJUDGED AND DECREED that policy No. 340734, written and issued by the defendant, The State Life Insurance Company of Indianapolis, Indiana, in favor of the plaintiff Clyde LeRoy Ramsey, and dated December 3, 1926, be and same is hereby in all things re-instated precisely as it was on November 1, 1928, and is adjudged to be in full force and effect and the plaintiff has made due claim and proper proof of total disability thereunder which has been accepted by defendant by reason of which the further payment of premiums thereon has been suspended and the right of plaintiff to receive the monthly benefits thereunder has accrued and now exists, and such monthly benefits shall hereafter, beginning with the month of March, 1934, be paid by defendant to plaintiff in accordance with the terms of said policy, and it is further

ORDERED, ADJUDGED AND DECREED that plaintiff, Clyde LeRoy Ramsey, do have and recover of and from the defendant, The State Life Insurance Company of Indianapolis, Indiana, a sum of ONE THOUSAND FIVE HUNDRED EIGHTY NINE DOLLARS AND SIXTY-THREE CENTS (\$1,589.63), together with the costs of this action, taxed at the sum of _____, and which judgments shall bear interest at 6% per annum from this date, - for all of which let execution issue.

To which findings, conclusions and decree, defendant excepts.

Wright, Receiver of Sunray Oil Company, with reference to what is known as the "West Block" and "East Block" of acreage in Madison and Grimes Counties, State of Texas, and with reference to the expenditures in connection therewith, was presented to the Court, and the Court having heard the evidence, finds that by obtaining said acreage the Receiver has kept to a large extent the oil and gas leasehold of the Receivership Estate intact, and that the said acreage so obtained in lieu of acreage allowed to lapse, appears to be of much greater value than that allowed to lapse, on which large expenditures would otherwise have been required to be made in the way of rentals and the like, and that the expenses incurred by the Receiver in connection with the acquiring of said acreage have been for the benefit of the Receivership Estate and should be approved by the Court; and it is, therefore,

ORDERED, ADJUDGED AND DECREED BY THE COURT that the expenditures of the Receiver made in connection with what is known as the "West Block" and the "East Block" in Madison and Grimes Counties, State of Texas, aggregating the sum of \$25,290.51, be, and the same is hereby approved, and the Receiver is hereby allowed credit for the same; and it is further

COUNTY OF OSAGE, STATE OF OKLAHOMA

Since McWilliams are defendants, this cause comes on to be heard, and the plaintiff being pro by its solicitors, Fred I. Hoyt, Roger L. Stephens, and T. A. Denny, of counsel, and the defendants case not either in person or by attorney, and thereupon it was made to appear to the satisfaction of the Court that the defendants, and each of them, have heretofore been served with notice of the pendency of this action by due service of a chancery subpoena upon them, and each of them, and that said defendants, and each of them, have duly filed herein their several answers to the bill of complaint, and the supplemental bill of complaint of the plaintiff filed herein, and each has been notified that said case was set for trial upon this date, but appeared not for trial hereinbefore stated, and thereupon the plaintiff did move for judgment by default against the defendants, and each of them, and upon consideration thereof such motion is sustained and it is ordered that the allegations of plaintiff's bill of complaint and supplemental bill of complaint be taken as true and confessed by said defendants, and each of them, and a decree of foreclosure is hereby entered against the said defendants, and each of them.

Thereupon the plaintiff did produce witnesses, sworn and examined in open court together with the instruments sued on herein, and from the evidence the court finds that all the material allegations of the plaintiff in its original bill of complaint, and its supplemental bill of complaint, filed herein, are true and that there is due and owing to the plaintiff by the said defendant Laura E. McWilliams, as Executrix of the Last Will and Testament and of the Estate of W. L. McWilliams, deceased, and Laura E. McWilliams, individually, and each of them, on the note and mortgage sued on herein, the various amounts as set forth in plaintiff's original bill of complaint and in said supplemental bill of complaint, and that the aggregate amount of all said sums so found due, with interest thereon to this 15th day of February, 1934, is the sum of \$15,030.50, which said sum should bear interest at the rate of 10 per cent. per annum from this 15th day of February, 1934, and that in addition thereto the Court doth find that said mortgage contains the provisions that in event action is brought to foreclose said mortgage the mortgagors would pay a reasonable attorney fee of 10 per cent. of the amount due, but that instead of said sum the Court doth find that \$500.00 is a reasonable attorney fee for the plaintiff.

The Court further finds that default has been made in the terms and conditions of plaintiff's said mortgage and that the indebtedness due to plaintiff herein, with interest thereon, attorney fees and costs of this action is a first lien upon, and that the plaintiff is entitled to a decree of foreclosure of its mortgage upon the following described property, situated in Ottawa County, State of Oklahoma, to-wit:

Lots One (1), Two (2), Three (3), Four (4) and the North Half of Lot Five (1/2 5) ALL in Block Ninety-four (94), together with all improvements thereon, IN THE CITY OF MIAMI.

The Court further finds that plaintiff's said mortgage expressly waives an assignment of said real estate, and all the benefits of the homestead exemption and stay laws of the State of Oklahoma, and that on the 27th day of October, 1931, the plaintiff's assignor and intestate of the defendant Laura E. McWilliams, as Executrix of the Last Will and Testament of the Estate of W. L. McWilliams, Deceased, and the said Laura E. McWilliams individually, entered into an extension agreement of said mortgage, as alleged in plaintiff's bill of complaint.

The Court further finds from the evidence that the real estate described in plaintiff's bill of complaint is probably insufficient in value to pay the amount of the indebtedness hereinafter decreed to the plaintiff, and that a receiver should be appointed to take charge of said real estate, rent the same, collect the accrued and accruing rents, during the pendency of this action.

It is, therefore, CONSIDERED, ORDERED, ADJUDICATED and DECREED by the Court that the plaintiff do have and recover of and from the defendant Laura E. McWilliams, as Executrix of the Last Will and Testament and of the Estate of W. L. McWilliams, deceased, and Laura E. McWilliams as an individual, the sum of \$15,030.50, with interest thereon at 10 per cent. per annum from the 15th day of February, 1934, together with the further sum of \$500.00 attorney fee, and for the costs of this action accrued and accruing.

ORDER AND DECREE ON PETITION OF INTERVENTION.

This matter coming on to be heard upon the petition of intervention filed by The University of Tulsa and the response thereto by Rex Watkinson, as receiver and the said intervener being present in court by its attorney of record, Mather M. Hakes, and receiver being present by his attorney, W. IT IS, HEREOF, By the court considered, ordered and adjudged that the intervener, The University of Tulsa have judgment against the said Exchange National Company for the legal title to the mortgages and other securities disclosed in the petition of intervention, except the said Wilmot loan, which is reserved for later consideration, and that the said receiver, Rex Watkinson, be and he is hereby required and directed to make, execute and deliver appropriate transfers and assignments thereof, to Exchange Trust Company.

No finding is made and no judgment or decree is rendered herein touching the order of appraisal and valuation, legal or otherwise, as alleged in the petition in intervention.

JOURNAL ENTRY OF JUDGMENT

BE IT REMEMBERED that this cause came on for trial before the court sitting without a jury, on February 21, 1934, the parties hereto appearing in person and by their attorney record and the court having heard the evidence of witnesses, sworn and examined in open court, upon the issues raised by the amended answer of the defendants on the question of the legal capacity of the plaintiff to maintain this action by reason of being a foreign corporation, transacting business with the State of Oklahoma, and having failed to comply with the provisions of Section 5433 of the Compiled Oklahoma Statutes, 1921, requiring the appointment of a resident agent, and such issues having been submitted to the Court for decision, and the court having taken on the matter under advisement, now, on this 21st day of March, 1934, after being fully advised on the premises, the court finds that the plaintiff is a corporation organized and existing under the laws of the State of Illinois and that prior to the institution of this action it transacted business within the State of Oklahoma and had at all times failed to comply with the provisions of the statutes of the State of Oklahoma requiring the appointment of a resident service agent for a foreign corporation. The court concludes as a matter of law that by reason thereof the plaintiff has no legal capacity to maintain this action and that the same should be dismissed.

IT IS, THEREFORE, ORDERED, ADJUDGED AND DECREED by the court that this action be dismissed and the same is hereby dismissed, and exceptions are allowed the plaintiff.

IT IS FURTHER ORDERED that the plaintiff's motion for leave to dismiss its action without prejudice be and the same is hereby denied by reason of the objections thereto of the defendants, and exceptions are allowed the plaintiff.

LEGAL OPINION

Now, on this 28th day of March, 1934, it appearing to the court that J. W. Dunnett, as president, and Bob Bradshaw, as treasurer of the Century Petroleum Corporation to transfer upon the stock books of said Century Petroleum Corporation Certificate #43, for 102,690 shares of the stock of said Century Petroleum Corporation. And it further appearing to the court that prior to the institution of said mandamus action aforesaid, the said J. W. Sharp, through his attorney, W. A. Beckinridge, agreed and consented that in the event said mandamus action was finally determined in the district court of Tulsa County, in his favor and said officers were compelled to transfer said stock into the name of J. W. Sharp, that he, the said J. W. Sharp would not sell, assign or transfer said stock during the pendency of the above entitled and numbered cause in this court; and it further appearing to the court that at this time that the said J. W. Sharp, through his attorney W. A. Beckinridge now consents to a restraining order restraining the said J. W. ORDER

This cause came on for hearing on the 13th day of February, 1934 upon the motion of Greenough, Lyman & Cross and Edward G. Fletcher for a modification of the order of December 5, 1933 for reimbursement of disbursements and expenses incurred by said applicants as attorneys for certain complainants in the above entitled action, and the said Greenough, Lyman & Cross and Edward G. Fletcher appearing by Charles F. Sisson, their attorney, and Paul E. Galiaferro, Receiver and one of the Trustees of the Petroleum Royalties Company, and appearing in person, and the Court having considered said oral motion and having heard the testimony thereon and being fully advised in the premises finds:

That the said Order of December 5, 1933 should be modified as to the following items and amounts, to-wit:

The Court finds that as to item 1, set out in the exhibit to the application, allowance of attorney's fees and disbursements and expenses of Edward G. Fletcher, et al., to the sum of \$81.71 of said item was expended by the applicants subsequent to their filing the original application on behalf of their clients to become parties complainants on that said amount of \$81.71 of said item 1 should be allowed and the remainder of said item should be disallowed.

That as to Item 7, being expenses to Tulsa, Oklahoma during September and October 1931 claimed in the amount of \$188.00 and heretofore allowed by Order of December 5, 1933 in amount of \$120.00, should be modified so as to allow the sum of \$132.28, being the amount as a reasonable and fair allowance for said item of expense, instead of the sum of \$120.00 heretofore allowed, or the sum of \$188.00 as claimed, thereby allowing an additional sum as to said item of \$32.28 and the remainder of said item is disallowed.

That as to Items 13 and 14, being expenses to Tulsa, Oklahoma during February and March, 1933 and the incidental expenses thereto, which was heretofore allowed by Order of December 5, 1933 in the sum of \$120.00 as to railroad and pullman fares, and in the sum of \$12.00 as to hotel, meals, and incidental expenses, should be modified to allow as railroad and pullman fares the sum of \$132.28 instead of the sum of \$120.00 heretofore allowed, being a fair and reasonable sum for said expenses instead of the amount heretofore allowed or the amount as claimed the said incidental expense as heretofore allowed in the sum of \$12.00 should be modified to the sum of \$50.00 as claimed, upon a showing of five days' expense instead of two days as heretofore allowed, being at the rate of \$6.00 per day for said expense, making an additional allowance for said items 13 and 14 as to railroad and pullman fares of \$32.28 and as to hotel, meals, and incidental expenses \$18.00 additional, or a total of \$50.28, and the remainder of said items should be disallowed.

The Court further finds that the total sum allowed herein is \$154.27 and should be allowed in addition to that allowed by Order of December 5, 1933.

The Court further finds that except as herein modified, the order of December 5, 1933, shall stand as per Journal Entry on file herein.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that Paul E. Galiaferro, Receiver of the Petroleum Royalties Company, a trust, be and he is hereby directed to pay to Greenough, Lyman & Cross, et al., the sum of \$154.27.

Hourse, Trustee is classified as a depositor and holder, with authority to the said Bondholders' Committee to represent the said J. B. Hourse, Trustee in all matters herein, and that such settlement has been approved by the referee in bankruptcy for the Western Division of the District Court of the United States for the Eastern District of Missouri, and the said contract and settlement so made and so approved should be and hereby is approved in all things by this Court; PROVIDED, THAT, certain intervenors whose respective claims are on file in this cause in this Court, and to which claims reference hereby made for more specific identification thereof, claim title to said bonds of the Sapulpa Gas Company, to be so delivered to the said J. B. Hourse, Trustee, in the par value of Six thousand and no/100 (\$6,000.00) Dollars, in accordance with the terms of said settlement; and that in approving said settlement by the Bondholders' Committee in all respects, the said Bondholders' Committee is fully discharged from responsibility for the determination of ultimate ownership of said bonds; and the Court finds that such bonds to be so delivered in settlement of the claims of the said J. ORDER OF THE COURT APPROVING AND SETTLING OF ACCOUNT.

This cause coming on to be heard at this term on the application of R. W. receiver, for authority to settle and compromise a certain note hereinafter described belonging to said receivership estate.

It is found that said estate is the owner of a note at present owned by the reverse of near Wm. W. Wm., in which there is now a balance due of \$58.18, with interest that the only security on said note at the present time is a tractor, the value of which is heavily involved; that all such he owns or should have had it is all contained in it.
