IN EQUITY NO. 1157

FINAL ORDER

On this the 21st day of December, 1936, this cause came on to be heard and of in chambers pursuant to instructions of the court at a previous hearing in open court December 15th, and pursuant to agreement of the parties. Plaintiff appeared by its attor Lewis M. Dabney, Jr., and defendants and each of them appeared by their attorney, E. J. La

Counsel for defendants stated to the court that the sum of $82,000 due E. W Inc., representing sixty-two and one-half per cent of units in Seminole Provident Trust th fore sold, had been paid to E. W. Jones, Inc., and exhibited the receipt of that company f said sum. It was agreed by counsel for plaintiff and defendants that the payment of this to E. W. Jones, Inc., had cured the diversion of funds complained of in the Bill of Compla heretofore shown by the evidence. Counsel for defendants furthermore exhibited to the cou form of amendment to be attached to the Prospectus of Seminole Provident Trust showing the of the properties to be conveyed to said Trust from the latest date shown in the Registrat Statement and Prospectus down to and including the month of November, 1936. Copy of this ment is attached hereto marked Exhibit "A" and made a part hereof. It was agreed by couns plaintiff and defendants that this amendment should be attached to the Official Prospectus furnished to prospective purchasers of units in Seminole Provident Trust. It was further by counsel for the defendants that when and if further monthly distributions were made to of units of beneficial interest in Seminole Provident Trust exceeding in amount one-eighth andth of the net earnings for the previous month of the properties contracted to be convey E. W. Jones, Inc., (after deducting from such net earnings the five per cent Trustees' fee for in the Declaration of Trust of Seminole Provident Trust) that an enclosure would be se checks covering such distributions, in the form of Exhibit "B" attached hereto, advising w proportion of such distribution checks was in excess of the pro rata earnings of the prope and had been contributed by the Trustees; and that such statements would continue to be se long as any units in Seminole Provident Trust were sold or offered for sale.

And the defendants, E. R. Perry and S. L. Dedman, having been heretofore in c court admonished by the court that they were responsible for any misstatements of material made by any agents or brokers selling for them units of beneficial interest in Seminole Pro Trust, or for any failure by such agents or brokers to state any material fact necessary in make the statements made, in the light of the circumstances under which they were made, not leading, it was agreed by counsel for defendants that copies of all sales literature, circu and advertisements sent through the mails or by any means or instruments or transportation communication in interestate commerce, by defendants or such agents or brokers, would be fu to plaintiff, Securities and Exchange Commission, as long as the same were desired.

Thereupon counsel for defendants suggested to the court that all complaints c plaintiff, Securities and Exchange Commission, had been met and that no useful purpose woul served by the maintenance on the docket of this cause, and that such procedure would injure business of defendants and their future sales of units, and that the proper procedure would dismiss the suit without prejudice in reliance upon his assurance and that of defendants, E Perry and S. L. Dedman, heretofore given in open court, that the agreements hereinabove set would be kept and performed. The court agreeing to this suggestion.

It is ORDERED, upon the above agreements, assurances and stipulations, that cause be, and the same hereby is, dismissed without prejudice.
