The above entitled matter coming on for hearing, pursuant to setting on the 8th day of December, 1936, at Miami, Oklahoma, and the plaintiff appearing by the United States Attorney, C. E. Bailey, and Assistant United States Attorney, Chester A. Brewer; and the defendants appearing by their attorney, Ray McNaughton; the parties having theretofore filed a stipulation waiving trial by jury and submitting said cause to the Court; thereupon the parties filed an agreed statement of facts and moved for judgment thereon.

Thereupon, upon the request of the parties, the cause was continued for the filing of briefs in behalf of the parties.

Now, on this 5th day of June, 1937, the matter coming on for hearing pursuant to the stipulations, agreements, and motions of the parties, and the Court having considered statement of facts and briefs of the parties, and being fully advised as to the facts and the law, finds:

1. That on April 30, 1935, and August 7, 1935, the dates of the service of distraint warrant by the plaintiff, defendant First National Bank of Miami, had a lien and title to all the property in its possession in which the taxpayer had any interest, by reason of the fact that at such times the taxpayer was merely a depositor with the defendant bank and was indebted to the defendant bank on account of a note then past due in an amount in excess of the value of the property so held by said bank.
2. That the only value of the property shown to be in the possession of the defendants or either of them as of the date of the distraint warrants was the value of the deposits of the taxpayer, Wesley M. Smith. That the respective amounts on the dates of such distraint warrants were applied by the defendant bank under its rights given by reason of its possession and title to said funds, to the partial payment of the then past due indebtedness of said taxpayer, and that on each of said dates such past due indebtedness was in excess of the amount of the deposit so applied.
3. That there was no fraud in the acts of the defendants or either of them, and that the defendants Ross R. Bayless and C. H. Mullendore were, at all times in this action involved, acting only as the agents for and with full authority from the defendant bank.

4. That the defendant bank had a right to apply the moneys of Wesley M. Smith, the taxpayer, on deposit at the time of the distraint warrants, to the payment of the then past due note of the taxpayer.

The motion for judgment on the part of the defendants is granted and allowed, and to such action of the Court the plaintiff is allowed an exception.

It is therefore ordered and adjudged by the Court that plaintiff have and recover nothing against the defendants, First National Bank of Miami, Oklahoma, Ross R. Bayless, and C; H. Mullendore, or either of them, by reason of this action. To the judgment of the Court and each and every part thereof, the plaintiff is allowed an exception.

JOURNAL ENTRY OF JUDGMENT.

Now on this 17th day of June, 1937, the above entitled cause having come on for hearing before the Court on April 19, 1937, and plaintiff appearing by C. E. Bailey, United States Attorney for the Northern District of Oklahoma, and Chester A. Brewer, Assistant United States Attorney for said district; and the defendant, Board of County Commissioners of Tulsa County, Oklahoma, appearing by John F. Conway, Assistant County Attorney of Tulsa County, Oklahoma, and the cause being submitted to the Court on an agreed statement of facts, and after argument the Court directed attorneys for the respective parties to file briefs in support of their contentions.

Upon consideration of the agreed statement of facts the Court finds the facts to be as stipulated by the parties.

The Court further finds that the land allotted to Pansy B. Hawk, nee Lloyd, Cherokee Allottee appearing opposite Roll No. 12508, was expressly exempted from taxes so long as the land stood in the name of the original allottee.

The Court further finds that the taxes assessed against said property by the defendant for the years 1910 to 1928, inclusive, were unlawfully collected, by reason of the facts that said land during said period of time, stood in the name of the original allottee.

The Court further finds that said allottee protested and objected to the payment of said taxes. That the defendant offered portions of said land for sale to satisfy said taxes so collected, and said allottee was compelled to redeem same.

The Court further finds that this suit is maintainable by the United States of America in behalf of its Indian Ward, Pansy B. Hawk.

The Court further finds that the statute of limitations of the State of Oklahoma does not apply to the United States where the United States is a party, and that Section 2 of the Act of Congress of April 12, 1926, does not apply to this action, by reason of the fact that this is an act for the recovery of money, and Section 2 of said Act applies to actions relating to land titles.

The Court further finds that plaintiff should recover the sum of \$3,426.61, together with interest thereon at the rate of 6% per annum from the date of payment until paid.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that the plaintiff, United States of America, in its own behalf, and in behalf of its said ward, have judgment against the defendant, Board of County Commissioners of Tulsa County, Oklahoma, in the sum of \$3,426.61, together with interest thereon at the rate of 6% per annum from the date of payment of said amount, until paid, and for the costs of this action, to which judgment of the Court defendant excepts, and exceptions are allowed.

NOW on this 20th day of April, 1937, the above entitled cause came on regularly for trial, the plaintiff appearing by Chester A. Brewer, Assistant United States Attorney for the Northern District of Oklahoma, and the defendants Frank Whitmire and Noah Shelly appearing in person and by their attorney of record, Geo. B. Schwabe, and the defendant Edwin Mossman appearing not, in person nor by attorney; all parties present, in open court having agreed to waive a jury and to submit all questions of law and of fact to the court for determination, without the intervention of a jury, and all said parties having answered ready for trial; the witnesses were sworn, and after hearing the evidence offered in support of the plaintiff and the answering defendants Frank Whitmire and Noah Shelly, and the argument of counsel, and being fully advised in the premises, the court finds:

That the evidence on behalf of the plaintiff is insufficient to entitle Plaintiff to the relief sought, and the petition of plaintiff should be dismissed and denied.

IT IS THEREFORE by the court ordered, adjudged and decreed that the petition of the plaintiff be dismissed and denied and that the defendants Frank Whitmire and Noah Shelly have judgment for the dismissal of plaintiff's cause of action against them and that said defendants be allowed to go hence without costs; to which orders and judgment of the court the plaintiff excepted and its exception was allowed.

JOURNAL ENTRY OF JUDGMENT

Now on this, the 21st day of June, A. D. 1937, the same being a regular judicial day of the March 1937 Term of the above indicated court, the above indicated cause came on for trial, the plaintiff being present in person and by his attorney, Eugene O. Monnet, of the firm of Monnet & Savage, of Tulsa, Oklahoma, and the defendant being present in person of Harry B. Strauss, President, and by its attorneys, Saml A. Boorstin, of Tulsa, Oklahoma, and A. E. Margolin, of the firm of Wright, Rogers & Margolin, of Kansas City, Missouri, and both sides having announced ready for trial and waived trial by jury, according to a written stipulation heretofore filed in this action, the same proceeded to trial.

Thereupon, plaintiff made his opening statement to the Court, after which defendant moved for judgment on the plaintiff's opening statement, which motion was overruled, excepted to by defendant and exception was allowed; after which defendant objected to the introduction of evidence on the grounds that plaintiff's petition did not state facts sufficient to constitute a cause of action in favor of the plaintiff and against the defendant, which objection was overruled, excepted to by the defendant and exception allowed. Thereupon defendant made its opening statement to the Court and requested special findings of fact and conclusions of law, and thereupon presented and filed with the Court requested special findings of fact and conclusions of law which it requested the Court to make in the language and terms therein set forth upon the conclusion of the action; and the Court thereupon advised that it would make findings of fact and conclusions of law in this case; after which the evidence of witnesses duly sworn was introduced on behalf of the plaintiff to the Court, and plaintiff rested.

Whereupon defendant filed and presented written demurrer to the evidence which demurrer was overruled by the Court, excepted to by the defendant and exception allowed.

Whereupon defendant introduced its evidence by witnesses duly sworn and testifying before the Court, and rested; after which defendant filed and presented written motion for judgment in favor of the defendant and against the Plaintiff, which motion was overruled by the Court, excepted to by the defendant, and exception allowed.

Thereupon the Court, having heard the opening statements of counsel, evidence of witnesses duly sworn and testifying before the Court in this action, argument of counsel, and being fully advised in the premises, finds:

FINDINGS OF FACT

1. That the said defendant is now and has been since before February 24, 1936, a corporation duly organized under the laws of the State of Missouri, duly licensed to do business in the State of Oklahoma, with its principal place of business in the City of Sapulpa of that State. That during said time the president of said corporation was Harry B. Strauss.

2. That on or about February 24, 1936, plaintiff and defendant entered into a written contract for the purchase and sale of two second hand, 80,000 barrel, steel roofed, steel oil storage tanks, Nos. 58 and 59, located on the old Continental Refining Company site, Sapulpa, Oklahoma, which contract was in words and figures as follows:

February 24, 1936

For the sum of Four Thousand Dollars (\$4,000.00) cash, the Brown-Strauss Corporation agrees to sell and E. H. Erwin or assigns agrees to purchase two steel roof 80,000 barrel storage tanks designated as #58 and #59, located on the old Continental Oil Refinery site, North of the City of Sapulpa, Oklahoma, now owned by the Brown-Strauss Corporation.

The sum of Two Hundred Dollars (\$200.00) is to be paid on the signing of this contract, balance to be paid as soon as tanks are cleaned or \$200.00 is to be forfeited to the Brown-Strauss Corporation.

These tanks are to be sold where is, as is, when cleaned, less all valves and steam coils, if any, in the interior of these tanks. The Brown-Strauss Corporation will clean above tanks.

(Sgd.) Morton D. Glass

Accepted:

E. H. ERWIN

and which said contract was duly executed by the plaintiff and by the defendant corporation by Morton D. Glass, its sales manager, at Sapulpa, Oklahoma, with full authority to enter into and execute the same for and on behalf of the company; that at the time of the execution of said contract said plaintiff paid unto said defendant, in cash, the \$200 down payment mentioned in said contract.

3. That under the terms of said contract said defendant agreed to clean said two tanks at its costs and expense within a reasonable time thereafter, after which plaintiff was to pay the balance of the purchase price, namely, \$3800.00, and receive delivery of the tanks; that from the time of the execution of said contract until the filing of this action, which was on or about April 14, 1936, plaintiff made numerous demands upon said defendant to clean said tanks, which defendant neglected and refused to do; that within three or four days before this action was filed, plaintiff made his last demand upon said defendant to clean said tanks and prepare same for delivery to him, which said demand was made through plaintiff's duly authorized attorney, Eugene C. Monnet, to the president of said defendant corporation, Harry B. Strauss; that said demand was refused by said defendant acting through its said duly authorized president, said Strauss stating unto said plaintiff that he would not clean said tanks unless plaintiff would pay him the sum of \$375 in addition to the unpaid balance of the purchase price of said tanks under the terms of said contract; that when said demand was made, plaintiff's said attorney informed said defendant that plaintiff had sold the tanks and he wanted delivery thereof as quickly as reasonably

possible for defendant to clean the same, and that plaintiff was ready, willing and able to pay the balance of the purchase price therefor. That at said time said plaintiff was ready, willing and able to accept delivery of said tanks and pay the balance of the purchase price thereof, namely \$3800.

4. That the fair and reasonable market value of said tanks, where and as is, during the months of March and April, 1937, was \$3250.00 per tank,

5. That defendant has never returned the \$200 down payment made by said plaintiff to it under the terms of said contract; that at the time said last demand was made on said defendant to clean said tanks a reasonable time had expired under the circumstances and as contemplated by the parties within which to clean the same, and defendant had definitely and unmistakably informed plaintiff that it would not perform and live up to the terms of its contract and clean and deliver said tanks to plaintiff for the unpaid balance of the purchase price under the above indicated written contract of purchase, namely \$3800, unless the \$375 additional requested was paid.

6. That by reason of defendant's breach of said contract of sale, plaintiff has been damaged in the sum of \$2500 and is entitled to the return of the \$200 down payment made by him when said written contract of purchase was executed.

7. That on February 24, 1936, and continuously thereafter and up until the present time, said plaintiff has not had what is commonly known and referred to as an Oklahoma Used Equipment Dealer's license issued to him by the Oklahoma Tax Commission of the State of Oklahoma under and by virtue of the provisions and terms of Chapter 59, Article 7, Session Laws of Oklahoma, 1935, as plead in defendant's answer.

8. That at the time said contract was entered into, namely, February 24, 1936, said plaintiff was not engaged in the business of buying, selling and dealing in secondhand oil field equipment, either as a dealer, broker or peddler, but that said transaction was a single and isolated transaction entered into by him for the purchase of said tanks; that at said time said plaintiff was carrying on and engaged in the business of superintending the cutting down and dismantling of steel oil storage tanks in the State of Oklahoma for and on behalf of his employer, Sonken-Galamba Corporation, of Kansas City, Kansas.

9. That said two steel oil storage tanks above described were on February 24, 1936, second hand oil field equipment as referred to and defined under and by virtue of the conditions and terms of said Chapter 59 of Article 7 of the Session Laws of 1935.

10. That this said action was brought by the real party in interest and owner of said tanks under and by virtue of the terms of said contract, and one said W. C. Berry merely had a contingent interest in the profits to be derived from the sale of said tanks if, as and when accrued, and that said W. C. Berry on February 24, 1936, and continuously thereafter and up to the present time did not have what is commonly known and referred to as an Oklahoma Used Equipment Dealer's license under and by virtue of the conditions and terms of said Chapter 59, Article 7 of the Session Laws of 1935.

CONCLUSIONS OF LAW

1. That under said contract of purchase between plaintiff and defendant entered into on February 24, 1936, plaintiff was bound to buy and defendant was bound to sell unto plaintiff said two 80,000 barrel, secondhand, steel roofed, steel oil storage tanks for a consideration of \$4,000; \$200 paid upon execution of said contract and the balance of \$3800 to be paid when said tanks were cleaned; that said tanks were to be cleaned within a reasonable time thereafter at the cost and expense of defendant.

2. That upon defendant's default in carrying out its obligations under said contract, plaintiff was entitled to the difference between the contract price of said tanks and the fair and reasonable market value thereof, where and as is, but cleaned, and also to the return of the \$200 down payment made by plaintiff to said defendant when said contract was executed.

3. That Chapter 59 of Article 7 of the Session Laws of Oklahoma, 1935, commonly known as the Oklahoma Used Equipment Dealer's license law, requires licenses to be issued by the Oklahoma Tax Commission only to those persons engaged in the business of buying, selling and dealing in secondhand oil field and oil well equipment, and not to those persons not engaged in that business but merely entering into a single or isolated transaction for the buying and selling or dealing in such articles.

4. That a broker who contracts with the owner of property to sell the same in consideration of an interest in the net profits to be made from said transaction is not a joint adventurer or partner with said owner and has no property right in and to the property to be sold.

WHEREFORE, IT IS HEREBY ORDERED, ADJUDGED AND DECREED BY THE COURT that plaintiff have judgment against the defendant in the sum of \$2700, plus 6% interest from June 21, 1937, until paid, and costs of this action, for which let execution issue subject to the following restrictions.

IT IS FURTHER ORDERED that defendant shall have 20 days from this date within which to file its motion for new trial, and execution on this said judgment shall be stayed until said motion, if filed within said time, has been heard. That the requested findings of fact and conclusions of law made by the defendant in this cause be denied.

IT IS FURTHER ORDERED that defendant be allowed exceptions to each the findings of fact and conclusions of law rendered by the Court in this action and above set forth, and also allowed exceptions to the refusal of the Court to make each the findings of fact and conclusions of law as requested by defendant.

by reason of the use of said automobile in violation of the Internal Revenue Laws of the United States relative to untax paid intoxicating liquor; the United States appearing by Joe W.
