The parties announcing ready for trial, a jury is empaneled and sworn to well and truly try the issues in the case; and after the introduction of the evidence of plaintiff and announcement of rest, defendant interposes a motion to dismiss this action with prejudice and moves the Court to direct a verdict in its favor for the reason that plaintiff's evidence was insufficient to support a claim for the consideration of the jury upon which relief could be granted. JUDICIAL NOTICE

Now on this 30th day of October 1931, came the plaintiffs by N. C. Hooding,  
their attorney and it appears and the court finds that this cause was regularly  
removed by the defendant United States of America to this Court from the District  
Court of Delaware County, Delaware and this court now has jurisdiction of this  
cause and all the parties.

That on the last day of July 1930 the United States of America filed its  
complaint in intervention herein alleging that the deed from the defendants  
Thomas King, now dead, now dead, Dora Utley, now King, oral King, now King  
to Gordon L. Tyler executed by deed, 1917, for tract 3 described in plaintiff's  
petition was void because it was not approved by the Secretary of Interior and  
asked the court to cancel the same.

The Court now finds that on July 29, 1917, the defendant Lencie King and  
wife, now King, now dead, single, Oral Utley, now King and husband, Pearl King,  
single, and Paul King, single, executed a deed and only deed to the plaintiff  
for said Tract 3 and the other real estate specified in defendant's petition  
and involved heretofore which was regularly removed by the District Court of Delaware  
County, Delaware, on October 15, 1931, and no other expense has been taken and  
has become an expense.

That on the last day of July, 1931, the plaintiff filed its petition for removal

to said Complaint in intervention of the United States of America, seeking the execution of said new deed and its approval by said County Court and asking to quiet their title thereon to said tract 3 and the other real estate involved herein.

That on October 12, 1933, the said United States of America, with approval of this Court, withdrew its said Complaint in intervention and there are no issues to be tried and the Court now hears the evidence of the plaintiffs and finds from examination of the pleadings and the evidence herein that when this action was commenced in the District Court of Delaware County, Oklahoma, the plaintiffs filed with their petition an affidavit for service by publication and pursuant thereto the Court Clerk of said Court gave notice by publication to all the defendants named in plaintiffs' petition and named in this decree, except the United States of America and the State of Oklahoma, in the Delaware County Journal, a newspaper printed and published in Jay, Delaware County, Oklahoma, and authorized to make legal publications, for three consecutive weeks on April 10, 13, and 20, 1933, requiring all said defendants to answer the plaintiffs' petition on or before June 1st, 1933, more fully shown by the proof of publication made and filed herein by the publisher of said newspaper, by reason of which this court acquired jurisdiction of all said defendants and the plaintiffs have filed their affidavit of non-mailing as required and an affidavit that none of the defendants to whom notice was given by publication are in the military service of the United States of America and the Court Clerk had notice was served on the Area Director to search for the defendant United States of America and all half or more blood Indians and said defendant filed its petition to remove this cause to this Court and thereafter filed its said Complaint in intervention and thereby entered its full appearance in this cause and the court has jurisdiction of said defendant and the Oklahoma Tax Commission was notified to answer for the defendant State of Oklahoma to make its claim for estate, inheritance or transfer taxes and said defendant has filed its disclaimer for any such taxes and the court now examines and approves plaintiffs' said affidavit for service by publication, the notice given by the Court Clerk of said District Court pursuant thereto, the proof of publication, the affidavit as to non-mailing, the affidavit as to military service, as required and as required to be filed by rule of said District Court of Delaware County, Oklahoma and this Court acquires jurisdiction of all said defendants to whom notice was given by publication and the Court

having passed for them to answer and not having done so, and the said judgment in default, and the plaintiffs produce their evidence and there being no evidence in behalf of the defendants, the Court finds for the plaintiffs that the material allegations of their petition and answer to said Complaint in intervention are true and that plaintiffs are entitled to have the relief set forth in their petition granted as prayed for in their said petition and their answer to said Complaint in intervention.

It is therefore considered, ordered, adjudged and decreed by the Court that on the 2nd day of October 1932 when said Thomas Ing and Emily Irene Ing, his wife, Isaac Ing, now Ing, single, Fore Wiley, now Ing and Mrs. Wiley, her husband, Pearl Ing, single, Fred Ing, single, Billy James Ing and Louise Ing, his wife, Bereldine Ing, now Ing and Leroy Jordan, her husband, Mary Shelton and Frank Shelton, her husband, conveyed said Tract 1, to wit: the portion of the NW 1/4 of Section 8, Township 27 North, Range 20 East, Cass County, Missouri, described in plaintiffs' petition, to the plaintiffs, they were the only heirs at law of Hencie Ing, deceased, James Ing, deceased, Oliver H. Ing, deceased, and J. Ing, deceased, who James H. Ing, deceased, as found by the County Court of Cass County, Missouri, on December 11, 1931, when it approved said deed of conveyance; and also by the 1944, when said Thomas Ing and Emily Irene Ing, his wife, Fore Wiley, now Ing and Mrs. Wiley, her husband, Isaac Ing, now Ing, single, Pearl Ing, single and Mrs. Ing, his wife, conveyed a said Tract 2 of the NW 1/4 of the NW 1/4 of the NW 1/4 of Section 8, Township 27 North, Range 20 East, Cass County, Missouri, described in plaintiffs' petition, to Gordon L. Ing and Regina Ing, his wife, when they conveyed said Tracts 2 and 3 to the plaintiffs, they were the only heirs at law of Oliver H. Ing, deceased, who James H. Ing, deceased, as found by the County Court of Cass County, Missouri, on December 15, 1931, when it approved said deed and conveyance to plaintiffs and said above named heirs are determined and decreed to be the only heirs of said decedents.

It is further considered, adjudged and decreed by the Court that the plaintiffs, et al., as they commenced their suit on were and are the owners in fee simple and possession of said Tract 1, described in plaintiffs' petition, to wit: the portion of the NW 1/4 of Section 8, Township 27 North, Range 20 East, Cass County, Missouri, described in plaintiffs' petition.

and belonging to the said and the United States Government by warranty deed to the plaintiffs from said Thomas King, et al. dated October 8, 1897, recorded in Book 188 page 607, County Clerk's Office of Delaware County, Indiana and the plaintiffs became and are now the owners in fee simple and in possession of said Tracts 2 and 3, to wit: the NE 1/4 of the SW 1/4 of the NW 1/4 of the NE 1/4 of the SW 1/4 of Section 9, Township 23 north in Range 21 east, containing 40 acres in each tract, except those parts thereof taken and belonging to the said and the United States Government and Mowage easement there-on, described in plaintiffs' petition, by warranty deed to the plaintiffs from Thomas King, et al. dated July 20, 1937, approved by the County Court of Delaware County, Indiana on September 14th, 1937, to which reference is made; that none of the defendants have any right, title or interest in any of said above described real estate and the plaintiffs' title and possession in and to all of said real estate, Tracts 1, 2 and 3, as described in plaintiffs' petition, should be and the same is hereby quieted and forever set at rest against each and all the defendants and all persons claiming by, under or through them and their claims, if any they have are declared null and void and cancelled and the defendants and each of them and all persons claiming by, under or through them are perpetually enjoined from asserting any claim to any of said real estate as against the plaintiffs or their assigns.

**FINDINGS OF FACT, CONCLUSIONS OF LAW AND  
JUDGMENT**

---

BE IT REMEMBERED that this cause came on regularly for trial, pursuant to previous setting, on this 30th day of October, 1953, before the undersigned District Judge, sitting without a jury. Plaintiff and defendant both appeared in person and by their attorneys of record, and evidence having been introduced by both plaintiff and defendant and the trial having been concluded and submitted to the court for decision, upon consideration of the premises, the court makes the following findings of fact.

Findings of Fact

1. The court finds that prior to May 21, 1952, the plaintiff herein was the owner of all mineral rights pertaining to the Northeast Quarter of the Southwest Quarter of Section 15, Township 17 North, Range 11 East, Creek County, Oklahoma, except as to Well No. 4 thereon, in which the plaintiff owned an undivided 7/16ths interest of the mineral rights; that on said date she instituted an action in the District Court of Creek County, Oklahoma, against her husband, Jennings B. Williams, for divorce, and to exclude him from any right, title or interest in or to said above described real estate or the mineral rights therein.

2. That said divorce action was tried before the District Court of Creek County, Oklahoma, on or about November 13, 1952, at which time

it was taken under advisement by the District Court, and thereafter and on January 10, 1953, judgment was rendered therein granting the plaintiff, Verna Harlan Williams, plaintiff herein, a divorce, but awarding to said Jennings B. Williams, defendant therein, a 1/16th working interest in Well No. 4 upon said real estate.

3. That thereafter and on the 12th day of January, 1953, for a valuable consideration, the said Jennings B. Williams conveyed to the plaintiff all of his interest in said real property, and the minerals thereof, and specifically conveyed to plaintiff said 1/16th working interest theretofore decreed to him by the District Court of Creek County; that said mineral deed was duly filed for record in the office of the County Clerk of Creek County, Oklahoma, on January 12, 1953, at 3:30 o'clock P.M.

4. That on the 7th day of June, 1952, said Jennings B. Williams made, executed and delivered to the defendant herein, Woodrow Williams, a royalty deed whereby he conveyed to the defendant herein an undivided 1/2 interest in all royalty in said real property above described owned by the said Jennings B. Williams; that said deed was not placed of record until January 19, 1953, at which time it was recorded in the office of the County Clerk of Creek County, Oklahoma.

5. That at the time the plaintiff received and recorded her mineral deed from Jennings B. Williams, dated and recorded on January 12, 1953, she had no actual knowledge or notice of the deed theretofore executed on June 7, 1952 by Jennings B. Williams in favor of the defendant herein.

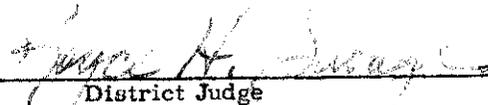

#### Conclusions of Law

The court concludes that because the deed to the defendant from Jennings B. Williams, dated June 7, 1952, was not filed for record until after the deed from Jennings B. Williams, dated January 12, 1953, was placed of record, the plaintiff had no constructive notice thereof, and that because she had no actual notice or knowledge thereof, said deed of June 7,

1952, from Jennings B. Williams to the defendant, is void as against plaintiff, and that the same constitutes a cloud upon plaintiff's title and that plaintiff is entitled to have said cloud removed and to have her title quieted as against the defendant.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that said deed, dated June 7, 1952, executed by Jennings B. Williams, as grantor, to Woodrow Williams, as grantee, filed for record in the office of the County Clerk of Creek County, Oklahoma, on January 19, 1953, and recorded in Book 665 at Page 434 be and the same is hereby decreed to be null and void as against the plaintiff, and that the defendant herein has no right, title or interest in the above described real property and the minerals thereof as against the plaintiff, and the plaintiff's title to the interest owned by her therein is hereby quieted as against the defendant and all persons claiming any interest therein through him.

IT IS FURTHER ORDERED, ADJUDGED AND DECREED that the defendant pay the costs of this action.

DECREE

Now, on this 16th day of November, 1953, the parties to this action having consented hereto, the Court finds and decrees as follows:

I. The Court finds that it has jurisdiction of this controversy and of the parties thereto and to render this decree.

II. That the plaintiff is the holder of a duly registered trade-mark #324636, duly issued to it May 21, 1935 by the Department of Commerce through the United States Patent Office, designed to protect its trade-mark "Kirby", which trade-mark appears in the record of the pre-trial of this cause heretofore had.

III. The defendant is perpetually enjoined, except as herein otherwise provided, from using plaintiff's said trade-mark, and its trade-name, "Kirby" in all his advertising, telephone listings, broadcasts, stationery, bill heads, bank accounts, checks, labels, and signs, as well as in the solicitation by him of business at his place of business, or elsewhere.

IV. The use of the name "Kirby" in block type or as shown in the attached photo, shall not constitute a violation hereof but the form shown in said trade-mark, or facsimile thereof will constitute a violation; such use as not being prohibited hereby would be for the sale, servicing, repairing, and re-conditioning of Kirby sweepers, but only along with the name of at least one other sweeper with equal prominence and consideration given both but without limitation as to which name shall appear first. On condition that the publicity and advertising material relating to rebuilt Kirby sweepers carry a statement setting forth that such sweeper has been rebuilt by defendant or some other person doing such work other than plaintiff, the sale and advertising for sale of new, used, or rebuilt sweepers of plaintiff's

manufacture as such, even though they may bear the name plate or trade-mark of plaintiff which are owned by the defendant shall not constitute a violation thereof.

V. The offering for sale by the defendant of a non-current model of plaintiff's sweeper as a current model shall constitute a violation of this decree, provided the plaintiff has previously notified the defendant in writing of the fact that plaintiff has made a change of its current model.

VI. The defendant is perpetually enjoined from advertising or holding himself out as successor to "The Kirby Company of Oklahoma" or "The Kirby Company of Tulsa", and from employing any means designed to create in the public mind the belief that he is such successor or the official representative or distributor of the plaintiff for the sale and service of its products.

VII. The defendant is perpetually enjoined from using in any way in any of his advertising the name "Kirby" in the form of scroll or in handwriting as used in plaintiff's said trade-mark.

VIII. FINAL DECREE AUTHORIZING  
TAKING IN CONDEMNATION

---

Now on this 17<sup>th</sup> day of November, 1953,  
this Cause comes on for hearing pursuant to Order of  
this Court entered October 15, 1953, Plaintiff appear-  
ing by its attorneys T. M. Markley and J. W. Smith;  
Defendant, the United States of America appearing by  
Hon. Whit Y. Mauzy, United States Attorney for the  
Northern District of Oklahoma

and no other party Defendant appearing.

All parties having announced ready for hear-  
ing, the Court's attention is drawn to each and every  
one of the following pleadings heretofore filed in  
this Proceeding, to-wit: The Complaint verified under  
oath; Application for Order directing manner of service;  
Order of the Court of October 15th, 1953 directing ser-  
vice; Notice by the Clerk of the Court to Superintendent,  
Osage Indian Agency, Bureau of Indian Affairs, Department

of the Interior, Pawhuska, Oklahoma, also to Peter Bighorse and Wayland Smith; Amendment of Complaint verified under oath dismissing the Plaintiff's cause of action with respect to Defendant Peter Bighorn and adding Peter Bighorse as a party defendant; Return of Service thereof under oath by agents and attorneys for Plaintiff to the Attorney General of the United States of America, Washington, D. C. and proof of mailing thereof and to Hon. Whit Y. Mauzy, United States Attorney for the Northern District of Oklahoma and return thereof.

Plaintiff introduces the testimony of sundry witnesses relative to the damages suffered by the parties in interest in and to the land herein sought to be condemned and which will result from appropriation by Plaintiff of a perpetual easement and right-of-way for an electric distribution line, all as hereinafter more particularly set out, and

Whereupon Plaintiff by and through its attorneys and the United States of America by and through its attorney

and the other defendants named herein and each and every one of them by default in open Court waive their right to file in this Proceeding a written demand for a jury trial and being thus fully advised in the premises

THE COURT FINDS: That the matters set out in the verified Complaint, as amended, herein filed by Plaintiff are true and correct and said Plaintiff, a corporation organized under the laws of the State of Oklahoma and engaged in the distribution and furnishing of electric power and energy to the public for light,

heat and power, is authorized by the laws of the State of Oklahoma to exercise the right of eminent domain to acquire rights-of-way for electric distribution lines and it further appearing that the taking and use of an easement and right-of-way for said purpose is a taking; and use for a public purpose and that said Plaintiff should be granted the relief prayed in its said Amended Complaint; that this Court has proper jurisdiction of this cause by reason of the Act of Congress of March 3, 1901, Chap. 832, Sec. 3, 31 Stat. 1084, 25 U S C A, Sec. 357; that Notice of this Proceeding has been served according to law upon all parties in interest in and to the land involved, more particularly hereinafter described, including the United States of America which is an interested party by reason of the fact that this matter affects the title to certain Osage Indian lands previously allotted in fee with certain restraints on alienation which are still in effect with respect to said land; that all Defendants herein except the United States of America

are in default; that all necessary parties to this cause are now properly before this Court for final disposition of this Proceeding; that all parties hereto have waived their right to file a written demand for a jury trial and have joined with Plaintiff in praying that final disposition be made of this Proceeding and that the Court make its findings with respect to damages; that Plaintiff in accordance with the rules of this Court amended its Complaint dismissing, without prejudice, its cause of action with respect to Defendant Peter Bighorn and naming as a party defendant in lieu thereof one Peter Bighorse; that the easement and right-of-way sought to be condemned by Plaintiff herein will not in any manner constitute a burden or encumbrance

upon the mineral interests in the said land involved herein, which mineral interest are held in trust by the United States of America for the benefit of the members of the Osage Tribe or Nation.

THE COURT ALSO FINDS that the description of the land upon, over and across which Plaintiff seeks herein to condemn said easement and right-of-way together with the parties in interest, defendants herein, are as follows:

South Half, Section 9, T23N, R11E, Osage County, Oklahoma:

Upon, over and across which lands construct a single pole electric distribution line about a center line as follows:

including two down guys with anchors and the right to trim, cut and remove trees and brush and to remove other obstacles which may, in Plaintiff's judgment, interfere with or endanger said line or its maintenance and operation within an area 25 feet on either side of said center line.

Original Allottee and Present Restricted Owner:

Peter Bighorse, Osage Roll No. 545,  
Residence: 200 East 10th Street, Pawhuska, Okla.

Agricultural Lessee:

Wayland Smith  
Residence: 101 East 15th Street, Pawhuska, Oklahoma

THE COURT FURTHER FINDS that the nature of the property and rights with respect to said land so to be taken and the uses for which such property is to be taken are:

A perpetual easement and right-of-way for the purpose of erecting, operating and maintaining

upon, over and along the route and across the land hereinabove fully described an electric distribution line consisting of single pole structures, carrying wires and fixtures, operating at not to exceed 14,000 volts and carrying for distribution, electric power and energy, together with the right and privilege of ingress, egress, removal, change in or additions to at any time and including also the right to set anchors and attach necessary guy wires there- to for bracing said distribution line; also the right to cut down, trim or remove trees and brush or other obstacles which may, in Plaintiff's judgment, interfere with or endanger said line or its maintenance and operation, within an area twenty-five feet on either side of the center of said electric distribution line, but RESERVING, nevertheless, to the land owner, lessee or tenant of said tract of land at all times the right to make such use of said land, including the 50 foot width of said easement, as is not inconsis- tent with or dangerous to the operation and maintenance of said electric distribution line, easement and right-of-way.

THE COURT FURTHER FINDS that reasonable and adequate damages accruing to the said land as a result of said proposed appropriation of easement and right-of-way are:

|   |             |
|---|-------------|
| To the Owner thereof, the sum of                  | \$135.00    |
| To the Agricultural Lessee thereof,<br>the sum of | <u>none</u> |

|                   |          |
|-------------------|----------|
| Total for Damages | \$135.00 |
|-------------------|----------|

Further that Plaintiff has heretofore paid into the depository of this Court the sum of One Hundred Thirty- five Dollars (\$135.00).

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that the entry upon and taking forthwith, of the said perpetual easement and right-of-way as found and described above herein upon, over and across said land as set out above herein, by Plaintiff, for the construction, operation, maintenance and alteration of its electric distribution line, all as prayed in its said Complaint, as Amended, is hereby authorized and confirmed in all things and said Plaintiff, Public Service Company of Oklahoma, is hereby vested with the said perpetual easement and right-of-way together with the perpetual rights of ingress and egress, all free and clear of any and all claims of the Defendants herein who are hereby perpetually enjoined and barred from hereafter claiming adversely to the Plaintiff's said rights, privileges and estate ordered, adjudged, decreed and granted herein.

IT IS FURTHER ORDERED, ADJUDGED AND DECREED by the Court that the Clerk of this Court make payable to the Treasurer of the United States and transmit to the Superintendent, Osage Indian Agency, Bureau of Indian Affairs, Department of the Interior, Pawhuska, Oklahoma, the sum of One Hundred Thirty-Five Dollars (\$135.00) to be there distributed to or for the use of the owner of the land as set out hereinabove according to law.

IT IS ALSO ORDERED, ADJUDGED AND DECREED by the Court that the damages awarded herein shall not be construed as concluding the rights of any defendant to the extent of his interest therein, if entitled, to claim, sue for and recover damages, if any, that may occur during the process of construction and maintenance of said electric distribution line and further that the perpetual easement and right-of-way

taken by Plaintiff and described herein and the operation of said electric distribution line will not, in any way, constitute a burden or encumbrance upon the mineral interest in the said land and that the costs of this Proceeding be taxed against the Plaintiff herein and that the case be closed.

NOW, on this 9th day of December, 1953, the above entitled matter coming on for hearing pursuant to regular assignment, the plaintiff, United States of America, appearing by John S. Athens, United States Attorney for the Northern District of Oklahoma, and the defendants, Thompson Apartments, Inc., a corporation, and State of Oklahoma, ex rel Oklahoma Tax Commission, appearing not in person or by attorney and it appearing to the court that this is a suit upon a promissory note and for foreclosure of a mortgage upon real estate securing the same, which said real estate is located in the County of Tulsa, State of Oklahoma, within the Northern Judicial District of Oklahoma.

It further appearing that due and legal personal service of summons has been made upon the defendant, Thompson Apartments, Inc., a corporation, in this state, requiring that it answer the petition filed herein in not more than twenty (20) days after the date of service of summons and it further appearing to the court that the defendant, Thompson Apartments, Inc., a corporation, filed its answer herein admitting the execution of the note and mortgage sued upon and that it was default in the installments due under that note, but specifically denying the amount of its indebtedness to plaintiff and praying that plaintiff be required to strictly prove the amount of said indebtedness and it further appearing that the defendant, State of Oklahoma, ex rel Oklahoma Tax Commission, has filed its answer and cross-petition herein asserting a lien against the real estate involved herein for Oklahoma Corporation Franchise tax in the amount of \$337.50 and it further appearing to the court that the said defendants, although having filed their answers herein, have failed to appear for the hearing hereon and each of them have wholly made default herein and the said defendants and each of them are thereupon adjudged in default; and the

plaintiff having introduced the testimony of witnesses sworn in open court, together with the note and mortgage sued on herein and the court being fully advised finds that all the allegations and averments in the complaint of said plaintiff are true; that there is due from the said defendant, Thompson Apartments, Inc., a corporation, to the said plaintiff, United States of America, on said note and mortgage the sum of \$178,263.21 as unpaid principal on that note and the sum of \$7,724.73 as interest to September 1, 1953 on said principal sum and the further sum of \$1,141.44 as advances by plaintiff for ad valorem taxes, and interest on such advances for taxes, less funds on deposit with plaintiff as reserve for replacements in the amount of \$991.92, or a total sum of \$186,137.46, with interest on said unpaid principal sum and taxes, less funds on deposit, or \$178,397.09, at the rate of 4% per annum from September 1, 1953 to the date of judgment herein and at the rate of 6% per annum from the date judgment is entered herein.

The court further finds that the said plaintiff has a first and prior lien upon the real estate and premises described in said petition by virtue of said mortgage, as security for the payment of said indebtedness, interest and costs, which said property is described as follows, to-wit:

All of Lots Two (2) and Three (3), and the East Sixty Feet (60') of Lot Four (4), in Block One (1), T. DICKSON ADDITION to the City of Tulsa, Tulsa County, Oklahoma, less the following described land heretofore deeded to the City of Tulsa for Street Purposes; a strip of land, being 50 feet in width, situated in Lots 2 and 3, Block 1, T. Dickson Addition to the City of Tulsa, Oklahoma; the center line of said 50 foot strip of land being more particularly described as follows: Beginning at a point on the north line of Reading Street, said point being 885.9 feet east of the center line of Peoria Avenue, and also being 60 feet (60') east of the southwest corner of Lot 3; thence northeasterly along a straight line to a point on the north line of Lot 2, said Block 1, said point being the center line of Rockford Avenue, and also being 58.3 feet west of the northeast corner of said Lot 2, Block 1, T. Dickson Addition, containing approximately 0.410 acres, more or less; and less a strip of land commencing at the Northeast corner of said Lot 1; thence South along the East line of said lot a distance of 16 feet to a point; thence West along a line parallel to and 16 feet South of the North line of said Lots 1 and 2, a distance of 152.14 feet to a point on the Easterly line of Rockford Avenue; thence North-easterly along said Easterly line of Rockford Avenue to a point on the North line of said Lot 2, said point being 33.3 feet west of the Northeast corner of said lot; thence East along the North line of said Lots 2 and 1, a distance of 147 feet to the place of beginning.

TOGETHER with all fixtures, including but not limited to all gas and electric appliances and equipment, engines and machinery, radiators, heaters, furnaces, heating equipment, steam and hot water boilers, stoves, ranges, elevators and motors, bathtubs, sinks, tanks, water closets, basins, pipes, faucets and other plumbing, heating, air-conditioning, ventilating and laundry and equipment; all mantels, cabinets, refrigerating plant and refrigerators, whether mechanical or otherwise, all cooking apparatus, appliances and appurtenances, all furniture,

shades, awnings, screens, blinds, and other furnishings; and together with all building materials and equipment now or hereafter delivered to said premises and intended to be installed therein; and all articles of personal property owned by the party of the first part and now or hereafter attached to or used in and about the building or buildings now erected or hereafter to be erected on the lands herein described which are necessary to the complete and comfortable use and occupancy of such building or buildings for the purposes for which they were or are to be erected, including all goods and chattels and personal property as are ever used or furnished in operating a building or the activities conducted therein similar to the one herein described and referred to, and all renewals or replacements thereof or articles in substitution therefor, whether or not the same are, or shall be attached to said building or buildings in any manner, It being agreed that to the extent permitted by law all of the foregoing property and fixtures are to be deemed and held to be a part of and affixed to the realty.

The court further finds that State of Oklahoma, ex rel Oklahoma Tax Commission, is owed as Corporation Franchise tax, the sum of \$337.50 and has a lien on the above described premises by virtue of such taxes owed by the defendant, Thompson Apartments, Inc., a corporation, but that such lien is subsequent, secondary and inferior to the lien of plaintiff herein.

IT IS, THEREFORE, ORDERED, ADJUDGED AND DECREED by the court that said plaintiff do have and recover of and from said defendant, Thompson Apartments, Inc., a corporation, the sum of \$188,080.00, with interest on the principal sum of \$178,389.09 at the rate of 6% from this date, together with the costs of this action accrued and accruing.

CIVIL ACTION NO. 3340

51.80 acres of land, more or

Oklahoma, and Louanna Tom now  
Barnett, et al., and unknown  
persons,

FINAL JUDGMENT

Defendants

Now on this 22nd day of ~~November~~<sup>December</sup>, 1953, there is submitted to  
this Court application for Final Judgment in this proceeding. The Court  
having evidence and being fully advised in the matter finds as follows:

That Louanna Tom, now Barnett, a restricted Creek Indian, Roll No.  
10180, has previously executed general warranty deed with the United States  
of America covering the real estate involved in this proceeding and there  
has been paid to said Louanna Tom, now Barnett, through the late Director  
of the Muskogee Office of Indian Affairs, Muskogee, Oklahoma, the amount  
of \$90.00, representing just compensation for said tract.

The Court further finds that heretofore, to-wit: August 3, 1936,  
one J. V. Curdin, was appointed as guardian of the person and estate of  
Louanna Tom, now Barnett, as incompetent.

The Court further finds that on the 22nd day of November, 1953,  
proper Court having jurisdiction thereof, restored said Louanna Tom, now  
Barnett, to competency and said guardian was released and discharged as  
guardian; that said Louanna Tom, now Barnett, has agreed since and restored  
of her competency that she has received \$90.00 just compensation for the  
lands involved in this proceeding and confirms the agreement entered into  
by which she agreed to accept the said \$90.00 before her competency was  
restored.

The Court here finds that removal of restrictions of Quanna Tom, now Barnett, is executed by 2, and Wm. H. White, Acting Assistant Secretary of the Interior, and by Quanna Tom, now Barnett, the Commissioner of Land Affairs and the guardian have all agreed that \$100.00 as heretofore paid is and was just compensation for the taking of the real estate involved herein.

The Court further finds that by reason of said warranty deed and the prosecution of this action the United States of America has acquired good and merchantable title to said real estate and that the said Quanna Tom, now Barnett, is competent to execute said warranty deed and that it is to her interest that said transaction and conveyance of title to said real estate be approved and confirmed.

It is, therefore, ordered, adjudged and decreed that the United States of America has by filing said warranty deed and institution of this proceeding acquired good and merchantable title to the estate and real estate described as follows, to-wit:

Fee simple title save, and except and reserving to said Quanna Tom, now Barnett, and other record and non-record owners or interest holders, their heirs and assigns, all rights and easements, or, or under the same, subject to existing easements for public roads and highways, public utilities, railroads and telegraph lines, to the following, to-wit:

Lot 3, north 10.00 acres of lot 4, in section 7, township 17 North, Range 1 East of the Indian Meridian, situated in Creek County, Oklahoma, and containing 10.00 acres, more or less,

and the title to said estate in said lands is hereby quieted in the United States of America.

It is further ordered, adjudged and decreed that the United States of America has paid direct the sum of \$100.00 for said real estate and there does not exist any further claim for any damages of any kind or nature whatsoever against the United States of America by reason of the acquisition or taking of said estate in said real estate.
