ORDER MODIFYING SENTENCE

NOBLE C. HOOD  
Clerk U. S. District Court

This matter coming on for hearing and the court being fully advised in the premises finds that on the 21st day of April, 1953, the defendant was sentenced on Count 1 to the custody of the Attorney General of the United States for a period of 5 years and on Count 2 to the custody of the Attorney General of the United States for a period of 5 years, said sentence to begin at the expiration of and to run consecutively to the sentence imposed on Count 1 and that on the 4th day of May, 1953, the court ordered said sentence modified in that the sentence of confinement on Counts 1 and 2 were ordered to run concurrently with the time remaining unserved on the sentence heretofore imposed on said sentence on the 15th day of January, 1948 in the United States District Court for the Western District of Missouri. It was the intent of the court to enter a sentence whereby the defendant would serve a total of ten (10) years on the two counts involved in this action and on the unserved sentence imposed in 1948 in the United States District Court for the Western District of Missouri. The court finds that the order entered on the 4th day of May, 1953 is ineffective and should be set aside and held for naught. The court further finds that the sentence on Count 2 should be modified to conform with the intent of this court.

IT IS, THEREFORE, ORDERED, ADJUDGED AND DECREED that the order modifying sentence entered on the 4th day of May, 1953, be set aside and held for naught, and

IT IS FURTHER ORDERED, ADJUDGED AND DECREED that the sentence entered on April 21, 1953 on Count 2, be modified and that the defendant be confined to the custody of the Attorney General of the United States for a period of 2 years, 5 months and 3 days, said sentence to begin at the expiration of and to run consecutively with the sentence imposed on Count 1.

AND IT IS SO ORDERED, this 17th day of June, 1953.

vs.

Samuel Banta,

Defendant.

No. 12217 Criminal

FILED

JUN 25 1953

NOBLE C. HOOD  
Clerk U. S. District Court

O R D E R

This matter coming on for hearing this 25th day of June, 1953, upon the motion of Samuel Banta to vacate sentence heretofore entered in this cause on the 23rd day of January, 1953, which motion was filed pursuant to Title 28 U.S.C.A., Section 2255, and the United States appearing by Whit Y. Mauzy, United States Attorney for the Northern District of Oklahoma and the court, after careful examination of the motion filed by said Samuel Banta and after careful examination of the record in this cause, finds that on the 19th day of December, 1952 the grand jury for the Northern District of Oklahoma returned an indictment against one Robert Doremus, charging in the first count that the defendant, on or about December 9, 1952, in the Northern Judicial District of Oklahoma, did falsely alter in a material respect a certain money order issued by the Postal Department of the United States Government by raising the amount of said money order and in the second count charging that on or about the 9th day of December, 1952, in the Northern Judicial District of Oklahoma, said defendant, with intent to defraud, did utter and attempt to pass to Vandever's Department Store, Tulsa, Oklahoma, a certain falsely altered money order, said defendant knowing that a material alteration which was false had been made in said money order. That said defendant was thereafter arrested by the United States Marshal for the Eastern District of Illinois and removed to this district for trial. That on the 23rd day of January, 1953, said defendant appeared in open court with an attorney of his own choosing; that when said defendant, on said date, was arraigned in open court, he stated that his true name was Samuel Banta and not Robert Doremus and the court directed that the proceedings continue in his stated true name, Samuel Banta. Said defendant, at said time, entered a plea of guilty as to each count of the indictment and the court then imposed sentence on count 1, confining said defendant to the custody of the Attorney General for a period of

three (3) years and on the second count, confining said defendant to the custody of the Attorney General for a period of three (3) years, the sentence on count 2 to run concurrent with the sentence entered on count 1.

The court further finds that prior to the time sentence was imposed, the Probation Officer for the United States District Court for the Northern District of Oklahoma made a pre-sentence report to the court and a statement of the facts was made to the court by the United States Attorney for the Northern District of Oklahoma. That said report revealed that the defendant, in 1922, under the name of Samuel Banta, had been sentenced in New Jersey to 3 years for embezzlement; in 1928, under the name of Samuel Banta, in New Jersey, for false pretenses for a term of 18 months; in 1938, in Illinois, under the name of Roy Hickman, for violation of the Dyer Act for a term of 4 years; in 1938, in Illinois, under the name of Samuel Banta, for forgery of a Government check, for a period of 2 years.

The court further finds that the defendant's motion to vacate judgment and sentence raises no material issue nor issue of fact necessitating that the defendant be present in this court on the hearing of his motion to vacate said sentence; that said motion raises no material controversial issue of fact whatsoever.

The Court concludes that the presence of Samuel Banta on the hearing of his motion to vacate the sentence involved herein is not necessary and further concludes that the constitutional rights of the said Samuel Banta were fully protected; that the indictment in this case states a violation of the laws of the United States in count 1 and a violation of the laws of the United States in count 2; that it was proper and legal upon the defendant's stating in open court his true name to be Samuel Banta; that said proceeding thereafter proceeded in the name of Samuel Banta.

The court further concludes that the allegations of the defendant as to his entering a plea of guilty because of duress is without merit and, if true, would not affect the legality of the plea of guilty and that the allegations in said motion relative to his wife, Lillian Doremus, do not in any manner affect the legality of the plea of guilty and sentence of this court.

The court further concludes that said motion is without merit; that the conviction in this cause rests on the plea of guilty entered by said Samuel Banta and that said conviction and sentence were legal in all respects.

IT IS, THEREFORE, ORDERED, ADJUDGED AND DECREED that the motion to vacate judgment and sentence be and the same hereby is DENIED.

AND IT IS SO ORDERED.
