1.

On March 14, 1963, this cause as to the captioned tract, came on for pretrial conference before the Honorable Allen E. Barrow, Judge of the United States District Court for the Northern District of Oklahoma. The plaintiff, United States of America, appeared by Hubert A. Marlow, Assistant United States Attorney for the Northern District of Oklahoma. The defendant owners of the captioned tract did not appear. After being advised by counsel for plaintiff, and having examined the files in the case, the Court finds:

2.

The Court has jurisdiction of the parties and the subject matter of this action. This Judgment applies only to the estates condemned in the tract shown in the caption above, as such tract and estate are described in the Complaint and the Declaration of Taking filed herein.

3.

Service of Process has been perfected either personally or by publication notice as provided by Rule 71A of the Federal Rules of Civil Procedure on all parties defendant in this cause who are interested in the subject tract.

4.

The Acts of Congress set out in paragraph 2 of the Complaint filed herein give the United States of America the right, power, and authority to condemn for public use the subject tract, as such tract is particularly described in such Complaint. Pursuant thereto, on March 1, 1960, the United States of America filed its Declaration of Taking of certain estates

in such described land, and title to such property should be vested in the United States of America, as of the date of filing such instrument.

6.

At the pre-trial conference the Court considered the evidence offered by the plaintiff and then found that the decrease in fair market value of the ownership under consideration, caused by this action, was in the amount of \$25.00. Such sum should be adopted as the award of just compensation for the estate taken in the subject property, and such award should be allocated to the various owners as shown in paragraph 9.

7.

The defendants named in paragraph 9 as owners of subject property are the only defendants asserting any interest in the estate condemned in the subject property, all other defendants having either disclaimed or defaulted; the named defendants were the owners of such estate, as of the date of taking, and as such, are entitled to receive the award of just compensation.

8.

It Is, Therefore, ORDERED, ADJUDGED AND DECREED that the United States of America has the right, power, and authority to condemn for public use the property described in paragraph 2 herein, as such property is particularly described in the Complaint and Declaration of Taking filed herein; and such property, to the extent of the estate indicated and for the uses and purposes described in such Declaration of Taking, is condemned and title thereto is vested in the United States of America as of the date of filing such Declaration of Taking, and all defendants herein and all other persons interested in such estate are forever barred from asserting any claim thereto.

9.

It Is Further ORDERED, ADJUDGED AND DECREED that on the date of taking, the owners of the estate condemned herein in the subject property were the defendants whose names appear in the schedule below; the right to

just compensation for the estate taken in this property is vested in the parties so named, as their interests appear therein; and the sum of \$25.00 hereby is adopted as the award of just compensation for the estate herein taken in subject property; all as follows, to-wit:

CIVIL ACTION NO. 4865

Tract No. X-2444E

FILED

1963

J U D G M E N T

1.

On March 14, 1963, this cause as to the captioned tract, came on for pre-trial conference before the Honorable Allen E. Barrow, Judge of the United States District Court for the Northern District of Oklahoma. The plaintiff, United States of America, appeared by Hubert A. Marlow, Assistant United States Attorney for the Northern District of Oklahoma. The defendant owners of the captioned tract appeared by their attorney, John F. Pendleton. After being advised by counsel for plaintiff, and having examined the files in the case, the Court finds:

2.

The Court has jurisdiction of the parties and the subject matter of this action. This judgment applies only to the estates condemned in the tract shown in the caption above, as such tract and estate are described in the Complaint and the Declaration of Taking filed herein.

3.

Service of Process has been perfected either personally or by publication notice as provided by Rule 71A of the Federal Rules of Civil Procedure on all parties defendant in this cause who are interested in the subject tract.

4.

The Acts of Congress set out in paragraph 2 of the Complaint filed herein give the United States of America the right, power, and authority to condemn for public use the subject tract, as such tract is particularly described in such Complaint. Pursuant thereto, on February 29, 1960, the United States of America filed its Declaration of Taking

of certain estates in such described land, and title to such property should be vested in the United States of America, as of the date of filing such instrument.

5.

Simultaneously with filing herein the Declaration of Taking, there was deposited in the Registry of this Court, as estimated compensation for the taking of the subject property, a certain sum of money, none of which has been disbursed as shown in paragraph 10.

6.

At the pre-trial conference the Court considered the evidence offered by the plaintiff and then found that the decrease in fair market value of the ownership under consideration, caused by this action, was in the amount of \$1,800.00. Such sum should be adopted as the award of just compensation for the estate taken in the subject property.

7.

The defendants named in paragraph 10 as owners of subject property are the only defendants asserting any interest in the estate condemned in the subject property, all other defendants having either disclaimed or defaulted; the named defendants were the owners of such estate, as of the date of taking, and as such, are entitled to receive the award of just compensation.
