1.

NOW, on this 15 day of June, 1964, this matter comes on for disposition on application of plaintiff, United States of America, for entry of judgment on a stipulation agreeing upon just compensation, and the Court, after having examined the files in this action and being fully advised by counsel for plaintiff, finds:

2.

This judgment applies only to the estate condemned in Tract No. 5708-0, as such estate and tract are described in the Complaint and the Declaration of Taking filed in this action.

3.

The Court has jurisdiction of the parties and subject matter of this action.

4.

Service of Process has been perfected either personally, or by publication notice, as provided by Rule 71A of Federal Rules of Civil Procedure, on all parties defendant in this cause who are interested in subject tract.

5.

The Acts of Congress set out in paragraph 2 of the Complaint herein give the United States of America the right, power, and authority to condemn for public use the estate described in paragraph 2 herein. Pursuant thereto, on July 29, 1960, the United States of America filed its Declaration of Taking of such described property, and title to the described estate in such property should be vested in the United States of America as of the date of filing the Declaration of Taking.

6.

On filing of the Declaration of Taking, there was deposited in the Registry of this Court, as estimated compensation for the taking of a certain estate in the subject tract a certain sum of money, and none of this deposit has been disbursed, as set out in paragraph 12 below.

7.

On the date of taking in this action, the owners of the estate taken in subject tract were the defendants whose names are shown in paragraph 12 below. Such named defendants are the only persons asserting any interest in the estate taken in such tract, all other persons having either disclaimed or defaulted, and such named defendants are entitled to receive the just compensation for the estate taken in this tract.

8.

The owners of the subject tract and the United States of America have executed and filed herein a Stipulation As To Just Compensation wherein they have agreed that just compensation for the estate condemned in subject tract is in the amount shown as compensation in paragraph 12 below, and such Stipulation should be approved.

9.

A deficiency exists between the amount deposited as estimated compensation for subject tract and the amount fixed by the Stipulation As To Just Compensation, and the amount of such deficiency should be deposited for the benefit of the owners. Such deficiency is set out in paragraph 12 below.

10.

It Is, Therefore, ORDERED, ADJUDGED, AND DECREED that the United States of America has the right, power, and authority to condemn for public use the tract named in paragraph 2 herein, as such tract is particularly described in the Complaint and Declaration of Taking filed herein; and such tract, to the extent of the estate described and for the uses and purposes described in such Declaration of Taking, is condemned and title thereto is vested in the United States of America, as of the date of filing such Declaration of Taking, and all defendants herein and all other persons interested in such estate are forever barred from asserting any claim thereto.

11.

It Is Further ORDERED, ADJUDGED, AND DECREED that on the date of taking, the owners of the estate condemned herein in subject tract were the

defendants whose names appear below in paragraph 12, and the right to just compensation for the estate taken herein in this tract is vested in the parties so named.

PARTIAL JUDGMENT

Civil No. 5771

Tract No. 2831-4M

FILED

APR 17 1984

NOBLE C. HOOD
Clerk, U. S. District Court

1. On this day this cause came on for hearing upon the application of the United States of America, by its attorney, for a Partial Judgment determining the ownership and the just compensation to be awarded the former owner of the gas lessee interest in the above case and tract.

2. The Court finds that the Declaration of Taking and Complaint were duly filed and that the Court has jurisdiction of the parties and the subject matter of this action; that service of process has been perfected either personally or by publication of notice, as prescribed by Rule 71A of the Federal Rules of Civil Procedure, on all parties having compensable interests in the gas lessee interest; that upon the date the Declaration of Taking and the Complaint were filed title to the estate taken, as set out therein, became vested in the United States of America.

3. The Court finds, upon the evidence presented that the below listed defendant was the sole owner of the gas lessee interest on the date of taking, and is entitled to receive the award therefor.

4. The Court finds that prior to the institution of the above proceeding the United States of America and Gulf Oil Corporation entered into a contract, as evidenced by an option for the subordination of the gas lessee interest granted by said defendant and accepted on behalf of the plaintiff by the Corps of Engineers, Department of the Army, wherein it was agreed that the amount of \$300.00, inclusive of interest, for the gas lessee interest, would be awarded as just compensation for the taking of the estate to be condemned in the above tract; that the contract and agreement is a valid one.

5. The Court finds the amount of \$300.00, inclusive of interest, is just compensation for the taking of the gas lessee estates by the plaintiff

in the above tract, as such estates and said tract are described and set forth in the Complaint and Declaration of Taking heretofore filed in this cause. The sum of \$300.00 was deposited into the Registry of this Court as estimated just compensation for said gas lessee interest upon the filing of the Declaration of Taking herein.

IT IS, THEREFORE, BY THE COURT ORDERED AND ADJUDGED:

(a) The vesting in plaintiff of title to the gas lessee estate set forth in the Complaint and Declaration of Taking in and to the tract herein-above referred to, as said tract is described therein, is hereby confirmed;

(b) The just compensation to be paid by the plaintiff for the taking of the gas lessee estate is the sum of \$300.00, inclusive of interest;

(c) The Clerk of this Court is hereby authorized and directed to draw a check on the funds in the registry of this Court in the amount herein-after set forth, payable to the order of the following named payee and to mail the check to said payee:

NOBLE C. HOOD
Clerk, U. S. District Court

Now, on this _____ day of June, 1964, this matter comes on for dis-
position on application of the plaintiff, United States of America, for entry
of Judgment on the Report of Commissioners filed herein on May 14, 1964, and
the Court, after having examined the files in this action and being advised by
counsel for the plaintiff, finds that:

2.

The Court has jurisdiction of the parties and the subject matter of
this action.

3.

This Judgment applies only to the estates taken in the tracts
enumerated in the caption above, as such estates and tracts are described in
the Complaint and Declaration of Taking filed herein.

4.

Service of Process has been perfected either personally or by publi-
cation notice as provided by Rule 71A of the Federal Rules of Civil Procedure
on all parties defendant in this cause, who are interested in subject tracts.

5.

The Acts of Congress set out in paragraph 2 of the Complaint filed
herein give the United States of America the right, power and authority to con-
demn for public use the subject tracts of land. Pursuant thereto, on June 9,
1960, the United States of America filed its Declaration of Taking of certain
estates in such tracts of land, and title to such property should be vested in
the United States of America, as of the date of filing such Declaration of
Taking.

6.

On the filing of the Declaration of Taking, there was deposited in the Registry of this Court as estimated compensation for the taking of the described estates in subject tracts, a certain sum of money, and none of such deposit has been disbursed, as set out in paragraph 11, below.

7.

The Report of Commissioners filed herein on May 14, 1964, is hereby accepted and adopted as a finding of fact as to all tracts covered by such report. The amount of just compensation as to the estates taken in subject tracts as fixed by the Commission is set out in paragraph 11, below.

8.

A certain deficiency exists between the amount deposited as estimated just compensation for subject tracts and the amount fixed by the Commission and the Court as just compensation, and a sum of money sufficient to cover such deficiency should be deposited by the Government. This deficiency is set out in paragraph 11, below.

9.

The defendants named in paragraph 11 as owners of subject tracts are the only defendants asserting any interest in the estates condemned herein, all other defendants having either disclaimed or defaulted; as of the date of taking, the named defendants were the owners of the respective interests in such estates as designated and, as such, are entitled to receive the just compensation therefor.

10.

IT IS, THEREFORE, ORDERED, ADJUDGED AND DECREED that the United States of America has the right, power and authority to condemn for public use the subject tracts, described in the Declaration of Taking filed herein, and such property, to the extent of the estates described in the Declaration of Taking filed herein, and for the uses and purposes therein described, is condemned, and title thereto is vested in the United States of America, as of the date of filing the Declaration of Taking, and all defendants herein and all other persons are forever barred from asserting any claim thereto.

1. On this day this cause came on for hearing upon the application of the United States of America, by its attorney, for a Partial Judgment determining the ownership and the just compensation to be awarded the owners of the oil lessee interest in the above case.

2. The Court finds that the Declaration of Taking and Complaint were duly filed and that the Court has jurisdiction of the parties and the subject matter of this action; that service of process has been perfected either personally or by publication of notice, as prescribed by Rule 71A of the Federal Rules of Civil Procedure, on all parties having compensable interests in the oil lessee interest; that upon the date the Declaration of Taking and the Complaint were filed title to the estate taken, as set out therein, became vested in the United States of America.

3. The Court finds, upon the evidence presented, that the below-listed defendant was the sole owner of the oil lessee interest on the date of taking and is entitled to receive the award therefor.

4. The Court finds that plaintiff and J. S. Shortall, defendant herein, have by the Stipulation agreed that the just compensation to be paid by the plaintiff for the taking of the estate taken in the above tract is the sum of \$28.00, inclusive of interest, for the oil lessee interest.

5. The Court finds the amount of \$28.00, inclusive of interest, is just compensation for the taking of the oil lessee estate by the plaintiff in the above tract, as such estate and said tract are described and set forth in the Complaint and Declaration of Taking heretofore filed in this cause. The sum of \$28.00 was deposited into the Registry of this Court as estimated just compensation for said oil lessee interest upon the filing of the Declaration of Taking herein.

IT IS, THEREFORE, BY THE COURT ORDERED AND ADJUDGED:

(a) The vesting in plaintiff of title to the oil lessee estate set forth in the Complaint and Declaration of Taking in and to the tract hereinabove referred to, as said tract is described therein, is hereby confirmed;

(b) The just compensation to be paid by the plaintiff for the taking of the above oil lessee interest is the sum of \$28.00, inclusive of interest;

PARTIAL JUDGMENT

1. On this day this cause came on for hearing upon the application of the United States of America, by its attorney, for a Partial Judgment determining the ownership and the just compensation to be awarded the owners of the oil lessee interest in the above case.

2. The Court finds that the Declaration of Taking and Complaint were duly filed and that the Court has jurisdiction of the parties and the subject matter of this action; that service of process has been perfected either personally or by publication of notice, as prescribed by Rule 71A of the Federal Rules of Civil Procedure, on all parties having compensable interests in the oil lessee interest; that upon the date the Declaration of Taking and the Complaint were filed title to the estate taken, as set out therein, became vested in the United States of America.

3. The Court finds, upon the evidence presented, that the below-listed defendant was the sole owner of the oil lessee interest on the date of taking and is entitled to receive the award therefor.

4. The Court finds that prior to the institution of the above proceeding the United States of America and Sunray IX Oil Company entered into a contract, as evidenced by an option for the purchase of land granted by said defendant and accepted on behalf of the plaintiff by the Corps of Engineers, Department of the Army, wherein it was agreed that the amount of \$60.00, inclusive of interest, would be awarded as just compensation for the taking of the oil lessee estate to be condemned in the above tract; that the contract and agreement is a valid one.

5. The Court finds the amount of \$60.00, inclusive of interest, is just compensation for the taking of the oil lessee estate by the plaintiff in the above tract, as such estate and said tract are described and set forth in the Complaint

and Declaration of Taking heretofore filed in this cause. The sum of \$60.00 was deposited into the Registry of this Court as estimated just compensation for said oil lessee interest upon the filing of the Declaration of Taking herein.

IT IS, THEREFORE, BY THE COURT ORDERED AND ADJUDGED:

(a) The vesting in plaintiff of title to the oil lessee estate set forth in the Complaint and Declaration of Taking in and to the tract hereinabove referred to, as said tract is described therein, is hereby confirmed;

1.

NOW, on this 23 day of June, 1964, this matter comes on for disposition on application of the plaintiff, United States of America, for entry of Judgment on the Report of Commissioners filed herein on June 4, 1964, and the Court after having examined the files in this action and being advised by counsel for the plaintiff, finds that:

2.

The Court has jurisdiction of the parties and the subject matter of this action.

3.

This Judgment applies only to the estates taken in the subsurface estate, subject to an oil and gas lease thereon, under the tracts enumerated in the caption above, as such estates and tracts are described in the Complaint and Declaration of Taking filed herein. Such subsurface interest, but subject to an oil and gas lease, hereinafter shall be referred to as the "lessor interest".

4.

Service of Process has been perfected either personally or by publication notice as provided by Rule 71A of the Federal Rules of Civil Procedure on all parties defendant in this cause, who are interested in subject tracts.

5.

The Acts of Congress set out in paragraph 2 of the Complaint filed herein give the United States of America the right, power and authority to condemn for public use the subject tracts of land. Pursuant thereto, on March 23, 1960, the United States of America filed its Declaration of Taking of certain estates in such tracts of land, and title to such property should be vested in the United States of America, as of the date of filing such Declaration of Taking.

6.

On the filing of the Declaration of Taking, there was deposited in the Registry of this Court as estimated compensation for the taking of the lessor interest in the described estates in subject tracts, certain sums of money, and part of such deposits has been disbursed, as set out in paragraph 11, below.

7.

The Report of Commissioners filed herein on June 4, 1964, is hereby accepted and adopted as a finding of fact as to all tracts covered by such report. The amount of just compensation as to the lessor interest in the estates taken in subject tracts as fixed by the Commission is set out in paragraph 11, below.

8.

A certain deficiency exists between the amount deposited as estimated just compensation for subject tracts and the amount fixed by the Commission and the Court as just compensation, and a sum of money sufficient to cover such deficiency should be deposited by the Government. This deficiency is set out in paragraph 11, below.

9.

The defendants named in paragraph 11 as owners of subject tracts are the only defendants asserting any interest in the lessor interest in the estates condemned herein, all other defendants having either disclaimed or defaulted; as of the date of taking, the named defendants were the owners of the lessor interest in the estates condemned in subject tracts and, as such, are entitled to receive the just compensation therefor.

10.

IT IS, THEREFORE, ORDERED, ADJUDGED AND DECREED that the United States of America has the right, power and authority to condemn for public use the subject tracts, described in the Declaration of Taking filed herein, and the subsurface estate, subject to an oil and gas lease thereon, under the tracts listed in the caption hereof, to the extent of the estates described in the Declaration of Taking filed herein, and for the uses and purposes therein described, is condemned, and title thereto is vested in the United States of America, as of the date of filing the Declaration of Taking, and all defendants herein and all other persons are forever barred from asserting any claim thereto.

IT IS FURTHER ORDERED, ADJUDGED AND DECREED that the right to receive just compensation for the lessor interest in the estates taken herein in subject tracts is vested in the defendants whose names appear below in this paragraph; the Report of Commissioners, of June 4, 1964, is hereby confirmed and the sum therein fixed is adopted as just compensation for the lessor interest in the estates taken in subject tracts, as shown by the following schedule:

Tract No. 5625-F

FILED

NOBLE C. HOOD
Clerk, U. S. District Court

J U D G M E N T

1.

NOW, on this 24 day of June, 1964, this matter comes on for dis-
position on application of the plaintiff, United States of America, for entry
of Judgment on the Report of Commissioners filed herein on April 29, 1964, and
the Court, after having examined the filed in this action and being advised by
counsel for the plaintiff, finds that:

2.

The Court has jurisdiction of the parties and the subject matter of
this action.

3.

This Judgment applies only to the estate taken in Tract No. 5625-F,
as such tract and estate are described in the Complaint and Declaration of
Taking filed herein.

4.

Service of Process has been perfected either personally or by publi-
cation notice as provided by Rule 71A of the Federal Rules of Civil Procedure on
all parties defendant in this cause, who are interested in subject tract.

5.

The Acts of Congress set out in paragraph 2 of the Complaint filed
herein give the United States of America the right, power and authority to con-
demn for public use the subject tract of land. Pursuant thereto, on March 24,
1960, the United States of America filed its Declaration of Taking of a certain
estate in such tract, and title to such property should be vested in the United
States of America.

6.

The Report of Commissioners filed herein on April 29, 1964, hereby is accepted and adopted as a finding of fact as to the estate taken in the subject tract. The sum of \$10,000.00, fixed by the Commissioners as just compensation for the estate taken in the subject tract, should be adopted as the award for such taking.

7.

On May 18, 1964, a hearing was held before this Court to determine the ownership of the estate condemned in the subject tract. The defendants, Estate of Edward C. Lawson, deceased, and Estate of Herbert L. Campbell, deceased, appeared by counsel, Richard D. Gibbon, and the defendant L. F. Merrell appeared by counsel, Glenn H. Chappell. No other defendants or claimants appeared either in person or by counsel. The Court heard the evidence of the defendants present and found that a certain oil and gas lease, claimed in May of 1960, by J. N. Liaskos, Sue R. Richter, Veva L. Borton and Allen A. Borton, to cover the subject tract, had as of the date of taking, expired by its own terms. Therefore, the Estate of Edward C. Lawson, deceased, and the Estate of Herbert L. Campbell, deceased, were the sole owners, as of the date of taking, of the entire estate taken in the subject tract, and the parties who are entitled to receive the award of just compensation for such taking.

8.

When this action was filed on March 24, 1960, the sum of \$16,592.00 was deposited in the Registry of this Court representing estimated compensation for the entire estate taken in the subject tract. On April 22, 1960, the sum of \$3,000.00 was disbursed from this deposit to the persons now determined to be the owners. On May 12, 1960, the total sum of \$13,342.00 was disbursed from this deposit to J. N. Liaskos, Sue R. Richter, Veva L. Borton, Allen A. Borton and Nowata Pipe and Supply Co. who claimed to own an oil and gas lease covering this tract. On April 11, 1962, the sum of \$250.00 was disbursed from this deposit to L. F. Merrell who claimed an overriding royalty interest in the subject tract based on the said oil and gas lease.

Since the hearing on May 18, 1964, Mr. L. F. Merrell has refunded into the Registry of this Court the sum of \$250.00 and such sum now remains on deposit.

While the original deposit of estimated compensation was in excess of the amount finally determined to be just compensation, only \$3,000.00 there- of was available to the owners of the estate taken in the subject tract.

Therefore, the owners are entitled to receive interest on the \$7,000.00 difference between the \$3,000.00 available to them and the amount of the award. They also should be paid the balance of the award for this tract.

Since there is a balance of \$250.00 on deposit for the subject tract, the plaintiff should deposit in the Registry of this Court for the benefit of the owners the sum of \$6,750.00, together with interest on \$7,000.00 at the rate of 5% per annum from March 24, 1960, until such deposit be made.

The sums disbursed to J. N. Liaskos, Sue R. Richter, Veva L. Borton and Allen A. Borton by order of Court filed May 12, 1960, were erroneously disbursed and each of such defendants should refund into the Registry of this Court the amount he or she received, together with interest thereon at the rate of 5% per annum from May 12, 1960 until the date of such refund.

9.

IT IS, THEREFORE, ORDERED, ADJUDGED AND DECREED that the United States of America has the right, power and authority to condemn for public use the subject tract, described in the Declaration of Taking filed herein, and such property, to the extent of the estate described, and for the uses and purposes described, in the Declaration of Taking filed herein, is condemned, and title thereto is vested in the United States of America, as of the date of filing the Declaration of Taking, and all defendants herein and all other persons are forever barred from asserting any claim thereto.

10.

IT IS FURTHER ORDERED, ADJUDGED AND DECREED that the right to receive just compensation for the estate taken herein in subject tract is vested in the defendants whose names appear below in this paragraph; the Report of Commissioners of April 29, 1964, hereby is confirmed, and the sum therein fixed is adopted as the award of just compensation for the estate taken in subject tract, as shown by the following schedule:

Upon receipt of such sum, the Clerk of this Court shall disburse from the deposit for the subject tract, jointly to Edward C. Lawson, Jr., Executor of the Estate of Edward C. Lawson, deceased, and First National Bank of Coffeyville, Kansas and Jessie W. Campbell, Co-executors of the Estate of Herbert L. Campbell, deceased, the sum of \$7,000.00, together with all accrued interest on such sum.

4.

Service of process has been perfected either personally, or by publi-
cation notice, as provided by Rule 71A of Federal Rules of Civil Procedure on
all parties defendant in this cause who are interested in subject tracts.

5.

The Acts of Congress set out in paragraph 2 of the Complaint herein
give the United States of America the right, power and authority to condemn for
public use the estates described in paragraph 2 herein. Pursuant thereto, on
August 5, 1960, the United States of America filed its Declaration of Taking of
such described property, and title to the described estates in such property
should be vested in the United States of America as of the date of filing the
Declaration of Taking.

6.

On filing of the Declaration of Taking, there was deposited in the Registry of this Court, as estimated compensation for the taking of certain estates in subject tracts, certain sums of money, and part of these deposits has been disbursed, as set out in paragraph 12, below.

7.

On the date of taking in this action, the owners of the estates taken in subject tracts were the defendants whose names are shown in paragraph 12, below. Such named defendants are the only persons asserting any interest in the estates taken in such tracts, all other persons having either disclaimed or defaulted, and such named defendants are entitled to receive the just compensation for the estates taken in these tracts.

8.

The owners of the subject tracts and the United States of America have executed and filed herein stipulations as to just compensation wherein they have agreed that just compensation for the estates condemned in subject tracts is in the amounts shown as compensation in paragraph 12, below, and such stipulations should be approved.

9.

As to Tract No. 5707-11 only, a deficiency exists between the amount deposited as estimated compensation for subject tract and the amount fixed by stipulation as to just compensation, and the amount of such deficiency should be deposited for the benefit of the owners. Such deficiency is set out in paragraph 12, below.

10.

IT IS, THEREFORE, ORDERED, ADJUDGED AND DECREED that the United States of America has the right, power and authority to condemn for public use the tracts enumerated in the caption above, as such tracts are particularly described in the Complaint and Declaration of Taking filed herein; and such tracts, to the extent of the estates described and for the uses and purposes described in such Declaration of Taking, are condemned and title thereto is vested in the United States of America, as of the date of filing such Declaration of Taking, and all defendants herein and all other persons interested in such estates are forever barred from asserting any claim thereto.

11.

IT IS FURTHER ORDERED, ADJUDGED AND DECREED that on the date of taking, the owners of the estates condemned herein in subject tracts were the defendants whose names appear below in paragraph 12, and the right to just compensation for the estates taken herein in these tracts is vested in the parties so named.

12.

IT IS FURTHER ORDERED, ADJUDGED AND DECREED that the stipulations as to just compensation, mentioned in paragraph 8 above, hereby are confirmed; and the sums therein fixed are adopted as the awards of just compensation for the estates condemned in subject tracts, as follows:
