O R D E R

M. M. EWING, CLERK
U. S. DISTRICT COURT

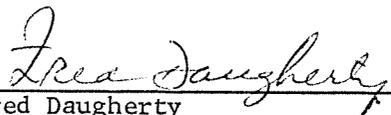

Defendant has applied to the Court for transfer to the custody of the State of Oklahoma to begin service of a sentence imposed by the State. The State had previously obtained jurisdiction of the Defendant through a Writ of Habeas Corpus Ad Prosequendum. The Defendant is presently in the custody of the United States Marshal and is confined to the Tulsa County Jail as he is unable to make bond on his pending appeal to the Court of Appeals for the Tenth Circuit. Defendant further desires to preserve his appeal rights in his pending appeal while he is in State custody should the Court grant his application. The United States Attorney for the Northern District of Oklahoma has manifested no objection to a transfer to State custody.

It appears that such a transfer may be ordered, and a prisoner taken from the custody of one sovereign and remitted to the custody of another sovereign without loss of its right to possession of the prisoner. Harris v. United States, 356 F.2d 945 (Tenth Cir. 1966); Werntz v. Looney, 208 F.2d 102 (Tenth Cir. 1957). The arrangements between the Federal and State governments are a matter of comity. Hayward v. Looney, 246 F.2d 56 (Tenth Cir. 1957).

The United States Marshal for the Northern District of Oklahoma is, therefore, ordered to deliver the Defendant, Charles

Vernon Waymire, to the proper authorities of the State of Oklahoma for the service of a sentence imposed by the District Court of Tulsa County in Case No. 23,496 on April 9, 1969, subject, however, to the further order of this Court respecting the sentence imposed in the instant case upon Defendant.

It is so ordered this 2 day of June, 1969.
