NO. 71-CR-47

MEMORANDUM OPINION AND ORDER

The defendant, Leroy Dale Hines, has made an oral motion to dismiss the indictment at the close of the Government's evidence, basing his motion on the insufficiency of the evidence to sustain the indictment. The motion should properly be for a judgment of acquittal pursuant to Rule 29(a), of the Federal Rules of Criminal Procedure, and the motion will be treated as though it were properly labeled.

The Court finds that in Count One of the indictment the Government has charged the defendant with the use and causing the use of facilities in interstate commerce, that is, the telephone facilities of Southwestern Bell Telephone Company on December 7, 1970, between Tulsa, Oklahoma, and Los Angeles, California; and thus violating Title 18, United States Code, Section 1952, which provides in pertinent part:

"Whoever . . . uses any facility in interstate . . . commerce . . . with intent to . . . promote, manage, establish, carry on, or facilitate the promotion, management, establishment, or carrying on, of any unlawful activity, and thereafter performs or attempts to perform any of the acts specified . . ."

shall be guilty of an offense against the laws of the United States.

In Section 1952(b), the Statute provides:

"As used in this section 'unlawful activity' means (1) any business enterprise involving gambling . . ."

The Government continues in this Count One of the indictment to set forth the laws of the State of Oklahoma it alleges to have been violated by the defendant, which by the Government's own admission, are:

Title 21, Oklahoma Statutes, Section 991, which provides in part:

"It shall be unlawful for any person . . . to bet or wager by means of books, . . . or to occupy any room, shed, tenement or building, or any part thereof, or to occupy any place upon any grounds with books, . . . or paraphernalia for the purpose of recording or registering bets or wagers or of selling pools, or making books or mutuels upon the result of any trial of speed or power of endurance of animals or beasts, . . ."

This Oklahoma Statute continues at some length, but it is specifically limited to gambling activities, or the keeping of a place for such activities, as related to animals or beasts.

Title 21, Oklahoma Statutes, Section 1191, provides in part:

"Every person who maintains or commits any public nuisance, . . . or who wilfully omits to perform any legal duty relating to the removal of a public nuisance, . . ."

is guilty of an offense against the laws of the State of Oklahoma.

The Court finds in Count One, as charged, that the "Business enterprise involving gambling" to be an "unlawful activity" under the Federal Statute must be a violation of the laws of the State of Oklahoma. The Oklahoma laws proscribe betting or keeping books, or occupying any place therefor, upon the results of any trial of speed or power of endurance of animals or beasts. The interstate use of the telephones proved by the Government--the call between Los Angeles, California, and Tulsa, Oklahoma--does not show a connection between the unlawful activity as proscribed by State Statute and said use of such facility in interstate commerce.

The defendant's motion as to Count One of the indictment should be sustained.

In Count Two, it is alleged that on December 11, 1970; and, in Count Three, it is alleged that on December 12, 1970, the defendant, while engaged in the business of betting and wagering, knowingly used a wire communication facility--telephone lines and circuits--for the transmission in interstate commerce from Las Vegas, Nevada, to Tulsa, Oklahoma, of information consisting of wagers, betting odds and line information, assisting in the placing of bets and wagers on sporting events and contests in violation of Title 18, United States Code, Section 1084.

Title 18, United States Code, Section 1084, provides in part:

"Whoever being engaged in the business of betting or wagering knowingly uses a wire communication facility for the transmission in interstate . . . commerce of bets or wagers or information assisting in the placing of bets or wagers on any sporting event or contest . . ."

shall be guilty of an offense against the laws of the United States.

However, Section 1084(b) of this Statute provides:

"Nothing in this section shall be construed to prevent the transmission in interstate . . . commerce of information assisting in the placing of bets or wagers on a sporting event or contest from a State where betting on that sporting event or contest is legal into a State in which such betting is legal."

In Counts Two and Three,, the Government does not set forth the Oklahoma Statutes alleged to be violated, or that would keep Section 1084(b) from being operative. Even if the Court should take judicial notice of the Oklahoma Statutes, the telephone calls set out in the indictment under these counts involving interstate commerce, i.e., between Tulsa, Oklahoma, and Las Vegas, Nevada, are in regard to

betting information regarding football games, and the Government has shown no Oklahoma Statutes, and the Court has found none, that make betting on football games illegal in Oklahoma, and such is not illegal in Las Vegas, Nevada. It is the Government's burden to prove such illegality, and the Court will not, as the Government suggests, read into the Oklahoma Statutes what is not there by legislative enactment or the interpretation of that law by the highest State Court.

Thus, the defendant's motion as to Count Two and Three of the indictment should be sustained.

Count Four of the indictment charges the defendant with willfully, knowingly and intentionally burning at his residence certain gambling paraphernalia, before and during a seizure by Federal Law Enforcement Officers authorized to make searches and seizures, with the intent to prevent the securing of said gambling paraphernalia, all in violation of Title 18, United States Code, Section 2232.

Title 18, United States Code, Section 2232, provides in part:

"Whoever, before, during, or after seizure of any property by any person authorized to make searches and seizures, in order to prevent the seizure or securing of any goods, wares, or merchandise by such person, . . . destroys, or removes the same, . . ."

shall be guilty of an offense against the laws of the United States.

The Government did not show that the defendant was alone in his apartment at the time of the search and seizure, that he is the one who burned the articles in the fireplace, that the charred bits recovered were in regard to horse-racing--the only charged activity made unlawful by Oklahoma Statutes. Therefore, the defendant's motion as to Count Four should be sustained.

The Court dislikes removing a case from the jury; but having reviewed the evidence, and having considered such evidence in the light most favorable to the Government, the Court finds that under the applicable State and Federal law in this cause of action, the evidence presented by the Government is insufficient to sustain a conviction as to each of the four counts of the indictment.

The Court finds as a matter of law that a judgment of acquittal must be granted to the defendant.

It is so Ordered.
