Now, on this 8th day of February, 1985, this cause comes on for trial to the Court, a trial by jury having been waived by the parties on January 29, 1985.

Plaintiff appears by Ben F. Baker, Assistant United States Attorney, and defendant appears in person and by counsel Mr. Bill Edmison.

Plaintiff offered evidence by a stipulation of the parties setting forth the testimony of two witnesses who stated that on or about August 25, 1984, they overheard the defendant make oral threats to take the life of the President of the United States. Plaintiff rests.

Defendant offered evidence in the form of a letter from Dr. James R. Leach, Chief of Forensic Psychiatry from the United States Medical Center for Federal Prisoners at Springfield, Missouri, in which the doctor states his opinion that the defendant's mental capacities on the date of the offense charged was such that defendant was unable to appreciate the wrongful character, nature and consequences of the act charged. Defendant rests. Both sides rest.

The Court, having examined the pleadings on file and having examined the evidence of the parties and having heard the

argument of counsel, finds that the defendant's plea entered in the case, which is not guilty by reason of insanity, is supported by the uncontroverted evidence of the defendant, and that the defendant should be found not guilty by reason of insanity on the date of the offense alleged.

IT IS THEREFORE ORDERED, ADJUDGED, AND DECREED that the Court finds that the defendant is not guilty as charged in the Indictment in this case, and is herewith ordered discharged from custody.

Dated this \_\_\_\_\_ day of February 1985.

No. 83-CR-75-C

O R D E R

The Court has received a letter dated February 5, 1985, from the defendant, Bobby Chris Johnson. The Court will consider the letter as a motion for a reduction of sentence pursuant to Rule 35 of the Federal Rules of Criminal Procedure. The defendant entered was found guilty by a jury of violation of Title 21 U.S.C. Section 841(a)(1), and he now asks the Court to modify the sentence imposed by it upon him on September 23, 1983. Defendant appealed, and the mandate affirming his conviction was handed down May 15, 1984.

Under Rule 35, the Court retains jurisdiction to reduce a sentence for only one hundred twenty (120) days after it is imposed. The defendant's motion to reduce was received by the Court on February 8, 1985. Clearly this is beyond the 120-day period provided by Rule 35 for the reduction of a sentence.

For the foregoing reason, it is therefore ordered that the defendant's motion for reduction of sentence be and the same is hereby overruled.

IT IS SO ORDERED this 13<sup>th</sup> day of February, 1985.
