

# LCrR7 – The Indictment and the Information

## **LCrR7-1 Complaints, Informations, and Indictments.**

The attorney for the government should follow the [Information for Providing Non-Electronically Filed Documents](#), available on the Court's website.

## **LCrR7-2 Related Case Notices.**

**(a) Notification of Related Cases.** Upon filing a complaint, information, or indictment related to or arising out of the same transaction or investigation as a previous civil or criminal case, the government shall file a notice of related cases, in both the previous and new cases, describing the relationship between the cases and setting forth the style and case numbers of the related cases.

**(b) Assignment of Related Cases.** Upon the filing of the notice, the judges will determine whether the pending cases should be transferred to conserve judicial time and efficiency.
